Y12&13 message	<p>This is the last week of a long and intensive half term. For some of you, it has been a period of adjustment to a new school setting, perhaps studying new topics that you'd never experienced before. For others, it has been a time of preparing applications for university and beyond.</p> <p>When it comes, please use half term to rest and recuperate, spending time with friends and family. Those that matter to you are going to be vital for you as the academic year progresses so some quality time and payback for their support offered, matters.</p> <p>Thank you for all the volunteering offered so far, whether it be on lunch barrier duty, supporting the new reading library, paired reading or sports and music clubs.</p> <p>Mocks for Y13 11 November onwards; Y12 mini-mocks in December.</p> <p>Rest now (do complete some work over half term!) with a view to hopefully some strong grades as this term progresses in the march to Christmas.</p> <p>JW</p>
