

What support will there be for my child's social and emotional development?

- Form Tutors meet with all pupils daily and are always available to offer support and will refer pupils to their Head of Year whenever necessary.
- The School nurse is available to pupils on an appointment basis.
- Mentoring through the pastoral team.
- A member of the Inclusion team is available for students to talk to during all unstructured times of the day, this is an opportunity to raise any worries the student may have.
- A member of the Inclusion team leads activities during all unstructured times of the day.
- Students have access to a key adult to talk to daily if required.
- Students with social communication differences in KS3 meet daily an adult to discuss their day and have the opportunity to raise any concerns re peers in a safe environment.
