

GCSE Music – Y9 Transition

Music gives a soul to the universe, wings to the mind, flight to the imagination, and life to everything. (Plato)

In GCSE music you will learn how to improve your performing skills and through work in composition you will gain an insight into how music is constructed from initial ideas to the finished product. You will also learn how to analyse music in a variety of styles, through both score analysis and listening, and discover the social context in which music has been composed over the last 400 years. The areas of study cover a wide range of Music, including; classical, world and popular.
