

How to login to SIMs Options Online

Parents must be registered with the SIMs parent app to access their child's option form.

Any parent who are not registered need to first complete a consent form. This consent form and full details on how to register can be found [at this link](#)

Once registered, go to <http://www.sims-options.co.uk/>

Click the icon for the relevant Third Party account that you registered with, Microsoft, Office 365,

A new window will be displayed and you can enter your sign in details.

If you have forgotten your password, please contact your Third Party account provider (e.g. Google, Microsoft, etc.) and request a new password.

Alternatively, if you already have the **SIMs Parent App** on your phone or other device, when you login you will now see a tile for SIMs Options online.

Click this tile to open your child's option form.

Please note: For verification purposes, you may be required at some point to enter the date of birth of your child at school.
