SIMS Parent App Information

SIMS Parent App

The Sims Parent App is an efficient and convenient way for the school to share information with parents about their children's school life.

Parents who choose to sign up will be able to access the app from a smartphone, tablet or PC at any time or anywhere.

What will you find in the SIMS Parent App: (Key benefits of the Parent App)

- The facility to access your child's school report
- Receive notifications to remind you about important information such as key dates for your diary
- The facility to update your contact details, so we always have the most up-to-date information in case of emergency.
- If you have more than one child who attends this school, you will have access to information for all your children from the same app.

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.

If you are interested in signing up for the app, then please complete the form attached with this information leaflet and return to the school Reception in the envelope provided as soon as possible.

Getting started with the SIMS Parent App

1. On receipt of your completed form we will send you an activation email. Simply click on the link from your tablet, PC or smartphone to activate your account.
2. You can then login using your normal **Facebook, Twitter**, **Google** or **Microsoft** username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store and search for **SIMS Parent.**
4. From a PC or Windows phone, login online at **www.sims-parent.co.uk**

Please note that your activation email will expire after 14 days if it is not used, please contact the school if you require a replacement after this date. Please note that your activation email is unique to you and should not be used by anyone else
