## Uniform for Pupils in Years 7-11

### Why is uniform important? Why do we have a particular uniform?

Durham Johnston's ethos is based upon a belief in the importance of social justice. A child's personal circumstances should not be reflected in their school uniform. When students cross our threshold each morning, they are treated equally and uniform is very important in helping to generate a sense of equality and community. Items of our school uniform are also available from a variety of suppliers so as to reduce cost.

### Why is it so important that parents, carers and students support our uniform policy?

It is very important that parents, carers, and students support our uniform policy as this reflects a commitment to the school and its ethos. The uniform is not open to personal interpretation and, when buying school uniform, please refer to this document only. If you have any questions please contact the school.

### What is the uniform? What must students wear? What can't students wear?

To demonstrate our school uniform we have provided the following illustrations and an overview of what students must wear and what they should not wear. Stretchy skirts, leggings, jeans (or trousers that look like jeans) are not part of Durham Johnston's school uniform. Please do not buy them. We are aware that many supermarkets and high street shops sell items marked as school uniform that do not conform to the school's policy. Please do not put yourself to additional expense buying items which will have to be replaced.

The A-line and pleated skirts illustrated below are acceptable alternatives to the straight skirts modelled above.

## What items will my child need for PE?

- ◆ Scarlet, shadow stripe football shorts
- ◆ Scarlet and white reversible rugby shirt
- ◆ Scarlet rugby/football socks

or

- ◆ Black 'skort' or black shorts.
- ◆ White plain polo shirt or T-shirt
- ◆ White or black sports socks

Football boots and trainers (clean trainers are required for indoor use)

### Optional:

- Plain black running leggings or tracksuit bottoms (winter only).
- Plain red sweatshirt or DJCS training top (optional) for warmth in winter months. *Durham Johnston training tops are available to purchase from the PE department*

## What Health and Safety considerations are linked to uniform? Are there any other items that students can't wear?

There are a number of health and safety issues that sometimes get confused with uniform requirements. It is important that all parents and carers are aware that students cannot wear any jewellery at any point during the school day. This includes retainers to keep piercings open. False nails and eyelashes are not allowed. Smart watches must not be worn in school.

## What will happen if my child doesn't wear the correct uniform?

Form tutors and senior teachers regularly explain the importance of school uniform. Students who are wearing incorrect uniform will be provided with loan uniform so that they can continue with their education. Students who are wearing any items that are a health and safety concern will be asked to remove them immediately. It is very important that you read and understand our uniform policy and fully support the school.

## Where can I buy uniform?

Uniform, including blazers, ties, PE Kit and craft aprons, is available from most supermarkets and clothing stores.
