<u>Year 10 Higher - Half Term 2 November – December</u>

Students should use the links below to revise topics covered in the second half term.

Section 1 Decimals Multiply and Divide Decimals: multiplying Video 94 Textbook Exercise Textbook answers							
Decimals: dividing decimals by integer	s <u>Video 93</u>	Textbook Exercise	Textbook answers				
Decimals: division by decimals	Video 92	Textbook Exercise	Textbook answers				
Review		Practice Questions	Practice Questions answers				
Section 2 Recurring Decimas							
Decimals: recurring decimals	Video 96	Textbook Exercise	Textbook answers				
Review	<u>video 50</u>	Practice Questions	Practice Questions answers				
Neview		riactice Questions	Fractice Questions answers				
Section 3 Equivalence – Fractions, Decimals, Percentages							
FDP: mixture	Video 130	<u>Textbook Exercise</u>	Textbook answers				
Review	<u>video 150</u>	Practice Questions	Practice Questions answers				
FDP: ordering	Video 131	Textbook Exercise	Textbook answers				
Review	<u>VIGEO 151</u>	Practice Questions	Practice Questions answers				
Review		Flactice Questions	Flactice Questions answers				
Saction A Fractions							
Section 4 Fractions Fractions: fraction of an amount	Video 137	Textbook Exercise	Textbook answers				
Review	<u>video 137</u>						
Fractions: finding the original	Video 138	Practice Questions Textbook Exercise	Practice Questions answers Textbook answers				
Review	<u>video 138</u>	Practice Questions	Practice Questions answers				
Fractions: addition diff denominators	Video 133	Textbook Exercise	Textbook answers				
	<u>video 155</u>		Practice Questions answers				
Review	Video 140	Practice Questions					
Fractions: multiplication Fractions: division	Video 142	<u>Textbook Exercise</u> Textbook Exercise	<u>Textbook answers</u> Textbook answers				
	<u>Video 134</u>						
Review		Practice Questions	Practice Questions answers				
Section C Devectores							
Section 5 Percentages	Video 224	Touthook Eversion	Touthook answers				
Percentages: of an amount (non-calc) Review	<u>Video 234</u>	Textbook Exercise Practice Questions	Textbook answers Practice Questions answers				
Review		Practice Questions	Practice Questions answers				
Percentages: expressing as	Video 237	Textbook Exercise	Textbook answers				
Review		Practice Questions	Practice Questions answers				
Percentages: change	Video 233	Textbook Exercise	Textbook answers				
Review	1.400 200	Practice Questions	Practice Questions answers				
Percentages: multipliers	Video 239	Textbook Exercise	Textbook answers				
Percentages: of an amount (calculator) Video 235	Textbook Exercise	Textbook answers				
Percentages: increasing/decreasing by	Video 238	Textbook Exercise	Textbook answers				
Review		Practice Questions	Textbook answers				
Percentages: compound interest	Video 236	Textbook Exercise	Textbook answers				
Review		Practice Questions	Practice Questions answers				
Percentages: reverse	Video 240	Textbook Exercise	Textbook answers				
Review		Practice Questions	Practice Questions answers				
Section 6 Ratio							
Ratio: simplifying	<u>Video 269</u>	Textbook Exercise	Textbook answers				
Ratio: express as fractions or %	Video 269a	Textbook Exercise	Currently no answers				
Ratio: sharing the total	Video 270	Textbook Exercise	Textbook answers				
Ratio: given one value	Video 271	Textbook Exercise	Textbook answers				
Review	-	Practice Questions	Practice Questions answers				
Ratio: given two ratios	<u>Video 271a</u>	Textbook Exercise	Textbook answers				
Ratio: difference between	<u>Video 271b</u>	Textbook Exercise	Textbook answers				

Textbook Exercise

Section 7 Indices						
Indices (numerical)	<u>Video 172</u>	<u>Textbook Exercise</u>	Textbook answers			
Review		Practice Questions	Practice Questions answers			
Indices: laws of	<u>Video 174</u>	Textbook Exercise	Textbook answers			
Review		Practice Questions	Practice Questions answers			
Indices: fractional	Video 173	Textbook Exercise	Textbook answers			
		Textbook Exercise	Textbook answers			
Indices: negative	<u>Video 175</u>					
Review		Practice Questions	Practice Questions answers			
Section 8 Standard Form						
Standard form	<u>Video 300</u>	Q1-6				
Standard form: addition	Video 301	Q10				
Standard form: multiplication	Video 302	Q7-9				
Standard form: division	<u>Video 303</u>	Q7-9 Textbook Exercise	Textbook answers			
Review		Practice Questions	Practice Questions answers			
Section 9 Direct and Inverse Proportion						
Proportion: direct	Video 254					

rioportion. uncet	<u>viaco 234</u>		
Proportion: inverse	<u>Video 255</u>	Textbook Exercise	<u>Textbool</u>
Review		Practice Questions	Practice
