

## 'Specialist Music' Admissions Information for Parents

**Ealing Fields**

High School

15 places within Ealing Fields High School are made available each year for students applying for a place in Year 7 and with an identified natural aptitude for music.

The application process is designed to test a child's natural ability to hear and discriminate differences in:

- Pitch
- Rhythm
- Chords
- Melodies

As such, a child can be awarded a 'Specialist Music' place based on musical aptitude, irrespective of any prior instrumental or vocal tuition.

### **How to Apply:**

1. Complete the Specialist Music Admissions application form [online](#) by 12 noon Friday 7<sup>th</sup> October 2022. Parents applying for a place under this criterion are reminded that they must also submit the PAN London Common Application Form to their Local Authority by the closing date (31<sup>st</sup> October 2022). Please do not submit any music proficiency certificates, as previous musical experience is not relevant to the application process.
2. All applicants will be invited to attend **Round One** on one of the stated dates.
3. Your child's score will be issued together with news as to whether they have been invited to attend **Round Two** of the process.
4. Your child's Round Two score will then be added to their Round One score and a list of final results, in descending order, will be compiled. Those ranked in places 1-15 will be notified on National Offer Day (early March) that they have been offered a music place (provided they have not received a higher preference offer).
5. Other applicants will be placed on a waiting list, ranked according to their score. If a place becomes available it will be offered to the applicant who is highest on the waiting list. In the case of a tie on score, those students living nearer the school as the crow flies will be given priority.
6. Those not successful in obtaining a Specialist Music place are still eligible to apply for a general admissions place through the PAN London Common Application Form.

**Though this is not a condition of admission, students admitted to Ealing Fields High School under a Specialist Music Place will be expected to:**

1. Make an active contribution to the school community through commitment to our extra-curricular rehearsal and performance programme.
2. Make outstanding musical progress across all three disciplines of performing, composing and listening as a result of both the Music College curricular and extra-curricular programme.
3. Learn either a String, Woodwind or Brass instrument (including guitar) as either a first or second study instrument.

*We are able to offer tuition on Strings, Woodwind, Brass, Drums, Piano, Keyboard, Voice, Guitar (Acoustic, Electric and Classical), Bass Guitar and Theory. *If you feel that the school needs to be informed of any special educational need or disability that may affect the testing process, please let us know so that any necessary arrangements can be made. Your child's current school will need to provide full details of the level of support currently provided during assessments so that we are able to make arrangements as deemed appropriate.*
