

Ealing Fields PTSA

Who we are: The PTA with an S

At Ealing Fields we have a PTA with a difference:

We are a Parent, Teacher & **Student** Association.

Building upon the Citizenship strand of the schools ethos, Ealing Fields students play a full role in both the strategy and delivery of PTSA activities, with each House having representatives on the committee as students are encouraged to take ownership of the association's fundraising, in order to help improve the facilities and opportunities at their school for the benefit of themselves and their peers. Looking forward we envisage PTSA activities that are wholly student led from inception to delivery, with students gaining valuable extra-curricular experience and entrepreneurial skills in strategy, finance, event planning, logistics and management.

As well as a fully engaged student body the Ealing Fields PTSA is fortunate to draw upon the vast experience of parents and carers who have been part of some of the very best and most successful primary school PTAs across the borough. Together with our fantastic and enthusiastic staff members we all work to build upon the unique community atmosphere that Ealing Fields High School has developed since its inception.

What we do: PTSA Aims & Objectives

A Fundraising Body:

To add value to the school by raising funds to invest in facilities, equipment and infrastructure in order to benefit all school stakeholders and enhance the outcomes for students.

A Social Network:

To provide a social network for all parents, carers, students and staff to develop the broader Ealing Fields community outside of school.

A Parent & Carer Forum:

To provide a support network for all parents and carers to aid communication with regards to school life.

Ealing Fields PTSA

How we do it: PTSA Events this year

These are just some of the exciting events we have planned for this school year:

- Annual 'Back to School BBQ' – An Ealing Fields style welcome.
- Halloween Disco – A real Thriller!
- Movie Nights – With the Ealing Fields Popcorn Extravaganza.
- Zombie Laser Tag – Fancy dress techno-combat in the school Performance Centre.
- Students v Teachers & Parents Quiz & Curry Night.
- 'Ealing Fields Festival' - with Live Music, Rides, Games & Stalls, Sports Competitions, Bar, BBQ, Hog Roast, & Ice Cream Van. Its' our very own mini-Glastonbury!

Why we do it: PTSA Fundraising Objectives

In 2021, despite losing the previous four terms to lock-downs and restrictions meaning that no events could be held at school, we bounced back in style last September to deliver an amazing £10,000 of fundraising in the Autumn term!

With these funds we provided the school with two grants of £5,000 each to fund the School Library and the new Wellness Centre respectively. These followed on from our major project funding in previous years where we raised £7,500 for AV Equipment in the Performance Centre at the new school site in 2019, and a fantastic £5,000 for the deposit on the new school Mini-Bus in 2018.

Since the school opened back in 2016 we have also been raising funds for **Specialist Equipment Bids**.

This programme allows each different school department submit bids for PTSA funds to purchase specialist equipment or resources that they cannot afford from their standard department budget. So far, we have provided a 3D Printer for the Computing Department, an Art Press for the Art Department, an Oscilloscope and Rubens Tube for Science, Drama Production Licences & Costumes and the Tagtiv-8 Sports Maths programme.

Welcome to Ealing Fields PTSA

We look forward to welcoming all new students & parents to Ealing Fields High School at our annual 'Back to School BBQ' on Friday 9th September, from 6.00 till 9.00 pm.

Kind regards

Ealing Fields PTSA
