

Ealing Fields PTSA

Who we are: The PTA with an S

At Ealing Fields we have a PTA with a difference:

We are a Parent, Teacher & **Student** Association.

Building on the school's Citizenship ethos, Ealing Fields students actively shape and deliver PTSA activities. Each House has committee representatives, encouraging students to take ownership of fundraising to improve school facilities and opportunities. Looking ahead, we aim for a number of PTSA initiatives to be student-led—from concept to execution—offering valuable experience in leadership, finance, event planning, and entrepreneurship.

Alongside an engaged student body, the Ealing Fields PTSA benefits from the expertise of parents and carers with experience in leading very successful primary school PTAs in our borough. Together with our dedicated staff, we continue to build on the school's strong sense of community.

What we do: PTSA Aims & Objectives

A Fundraising Body:

To add value to the school by raising funds to invest in facilities, equipment and infrastructure in order to benefit all school stakeholders and enhance the outcomes for students.

A Social Network:

To provide a social network for all parents, carers, students and staff to develop the broader Ealing Fields community outside of school.

A Parent & Carer Forum:

To provide a support network for all parents and carers to aid communication with regards to school life.

Ealing Fields PTSA

How we do it: PTSA Events this year

These are just some of the exciting events we have planned for this school year:

- Annual 'Back to School BBQ' – An Ealing Fields style welcome.
- Stand Up Comedy Night – A real laugh a minute!
- Movie Nights – With the Ealing Fields Popcorn Extravaganza.
- 'Ealing Fields Festival' - with Live Music, Rides, Games & Stalls, Sports Competitions, Bar, BBQ, Hog Roast, & Ice Cream Van. Its' our very own mini-Glastonbury!
- Second Hand uniform sales – scheduled every term

Why we do it: PTSA Fundraising Objectives

Our current fundraising goal, launched in early 2024, aims to raise £70,000 for a new on-site student kitchen. This facility will support culinary and life skills lessons, promote healthy nutrition, and expand curriculum opportunities. As it's entirely donation-funded, your support for our school and PTSA is vital.

In 2022–23, we achieved record-breaking fundraising totals of £15,000 each year. These funds supported the Garden Project, Duke of Edinburgh grants, classroom visualisers, and a new stage for the Performance Centre.

Even during the 2021 Covid lockdowns, we raised £10,000, funding the School Library and the Wellness Centre. Previous efforts include £7,500 for AV equipment in 2019 and £5,000 for the school minibus in 2018.

Since the school's opening in 2016, we've also funded Specialist Equipment Bids. These allow departments to request PTSA support for items beyond their standard budgets—such as a 3D printer for Computing, an art press, an oscilloscope and Rubens tube for Science, drama licences and costumes, and the Tagtiv-8 Sports Maths programme.

Welcome to Ealing Fields PTSA

We look forward to welcoming all new students & parents to Ealing Fields High School at our annual 'Back to School BBQ' on **Friday 5th September**, from 5.00 till 8.00 pm.

Kind regards

Ealing Fields PTSA
