As with all safeguarding concerns, please remember that you cannot promise confidentiality when a child's safety is at stake. Please tell the child that you will refer the issue to a member of the Child Protection team. All our students have been made aware of the identities of the Child Protection team and it is written in their planners. Child Protection officers will investigate a case and make a decision as to whether to refer to the Child Protection Service in the relevant Borough.

All information will be confidential to the team and the Head teacher, although relevant staff will be notified that there is a Child Protection case in process.
