

How well am I doing at school?

You can access information about your progress using the Go4Schools website.

To log in to Go4Schools, go to the Go4Schools website (www.go4schools.com), click on **Login** and then **Students login** at the top of the page

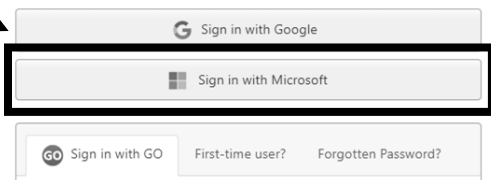

Click the **Sign in with Microsoft** button *then* log in using your **school** email address and your normal school password.

*If you are already logged into another Microsoft account on the device (eg. a personal Outlook.com email) you'll need to log out of this or **sign in with another account**. Go4Schools will only recognise you if you're logged in using your school email.*

You can view your previous reports. If there is a new report published you'll also see this icon.

Progress

You can see more detail about the marks and grades you have received throughout the year in the **Progress** section of Go4Schools. Look for the Progress link at the left hand side.

In the **Grades** section of the page, you can choose from 3 different views: compact view, broad view and detailed.

Subject	Target Grade	Current Grade	On Track	Sheet summary
English	5+	6-	On	Q1 Assessment 5 Q2 Assessment 6- Q3 Assessment Q4 Assessment Reading Assessment
French	4	4-	Off	Q1 Assessment 3+ Q2 Assessment 4- Q3 Assessment Q4 Assessment
Geography	5+	5	On	(marks) 34% Q1 Assessment 5 Q2 Assessment

The **compact view** and **broad view** give a summary view for each subject of targets, current grades (from the most recent assessments) and whether your current grade is on or off track.

The **detailed view** gives more information about assessment results throughout the year.

You can **view subjects in detail** by clicking on the subject name.

What is my school email address?
