

Subject: Building a Brighter Future Together: The Ealing Fields School Fund

Dear Parent/Carer,

At Ealing Fields, we are incredibly proud of the vibrant, high-achieving community we've built together. We all want our children to have access to the very best; an environment that inspires creativity and discovery.

To make those "extras" a reality, our Governing Body oversees the School Fund. This fund is dedicated exclusively to projects that government funding simply doesn't cover, but which make a world of difference to our students' daily lives.

The School Fund is made up entirely of voluntary financial donations from parents, carers and friends of the school. It is also separate from any fundraising by Ealing Field's active PTSA. They continue to do brilliant fundraising work and have helped fund the minibuses, various departmental projects and are working towards an exciting student kitchen project for the school.

Turning Vision into Reality

Thanks to previous generosity to the school fund, we've been able to upgrade our library, enhance our staging and sound systems, and invest in vital safety equipment.

How You Can Help

Whether it's the cost of a few coffees or a larger monthly commitment, every penny goes directly toward enriching your child's education.

We suggest a monthly contribution of £10, £20, or £30, but please know that any amount is received with genuine gratitude.

- Give Online: Visit our [School Fund Page](#) (please ensure you select 'Ealing Fields School Fund').
- Boost it by 25%: If you are a UK taxpayer, please complete the Gift Aid form. It costs you nothing extra but adds 25p to every £1 you give.

We know that these are "sacrificial" gifts, and we do not take them for granted. It is this spirit of partnership that allows Ealing Fields to thrive and remain a school we are all proud to have on our doorstep.

Thank you for your continued support and for investing in our children's bright futures.

With sincere thanks and gratitude,

Dimple Pattani

Chair of Governors
