

Ealing Fields
High School

June 2024

Dear Parent/Carer,

RE: Locker Rental at Ealing Fields High School

Students are able to rent a locker at a cost of £5 per year. We have limited space on site for lockers, and therefore whilst we understand that it may be exciting for new students to have a locker, we kindly ask that you consider whether they absolutely need one before requesting one.

Experience shows that most students find it easier, and prefer, to pack their bag for the lessons they have each day rather than manage trips to their locker during the day. This often leads to lockers that are left reserved and paid for, but unused, which results in our site team having to lock them at a cost to the school.

If you do decide that your child requires a locker, they will need to provide a padlock (minimum 35mm) and will be responsible for ensuring that the lock remains on the locker at all times.

The non-refundable rental charge is £5 per year. The lockers will be cleaned and maintained each summer holiday and it is the child's responsibility to ensure the locker is emptied before the last day of the school year. Anything left in lockers over the summer holidays will be thrown away or donated to charity.

You will be able to pay the non-refundable £5 rental charge via ParentPay once you have been registered on the system and on a first come first serve basis.

If you require any further assistance, please do not hesitate to contact us.

Yours Sincerely,

Student Services
