

Ealing Fields High School

Mobile Phone Agreement (Key Stage 3 & 4 students)

Ealing Fields
High School

Parents who wish their child to carry a mobile phone to school should do so only according to the following:

- The phone should have **no access to the internet** and **no camera** as per the following school approved models: **Nokia 105, Samsung E1200 or Alcatel 10.16G**
- It should be clearly marked with the student's name.
- The phone should be switched off before the student enters the school site and placed in their school bag. **We strongly advise removing the battery** as the student enters the school site as **phones which turn on accidentally during lessons will also be confiscated.**
- The phone should not be brought out at any point during the school day and should only be used after school when they are out of sight of the school entrances.
- A school brand mobile phone remains the responsibility of the student at all times and the school will not take action if it is lost or stolen.

In addition, if a student is allowed to take a phone on a school visit/residential it must be a school brand mobile.

There may be occasions where a member of staff is required to search a student's personal belongings to look for a mobile phone (this will be done in accordance with the DfE guidance on searching and screening).

- If during a search a 'school phone' is found it will not be confiscated provided it does not contain any evidence relating to an investigation AND when it is found it is switched off
- All non -school recommended phones and school phones that are not switched off will automatically be confiscated as part of a search and held until the end of term.
- Any phone that is seen or heard during the school day (school issue or otherwise) will automatically be confiscated.

When a phone is confiscated it will not be returned until the end of the full school term in which it is confiscated.
