

Summer Reading Challenge!

- You should spend 30 minutes reading at least 4 times a week.
- Every time you read, get your sheet signed by a parent/carer.

- Each time you read you should select a word that you didn't know before/were unsure of the meaning and find the definition.
- You should also make a note of the pages you read and summarise in a couple of sentences what has happened.
- Don't forget to rule off after each entry.

Book Title and Page Numbers Read	What Happened in This Section?	New Word	Definition	Parent/Carer Signature

Book Title and Page Numbers Read	What Happened in This Section?	New Word	Definition	Parent/Carer Signature

Competition: Write a book review or create a poster advertising one of the books you have read. This will help students choose a book to read. Make sure your work is colourful and eye-catching. The best from each form will be entered into an inter-form competition. **Bring this sheet, and your review/poster on the first day of term.**

Finished the table? Carry on with your reading and just recording it on another piece of paper!
