An online platform to help you find opportunities across London

Career Exploration & Planning

1. Xello

Log in through COPIA via the Wider Learning and Careers tab. There are loads of quizzes and online resources to help you explore different careers.

2. National Careers Service (UK)

<https://nationalcareers.service.gov.uk>

The National Careers Service website has loads of job profiles, CV advice, skills assessment, and interview tips.

3. Prospects

<https://www.prospects.ac.uk>

Prospects is a great resource for exploring job sectors, graduate career paths, and entry requirements. Includes a "What can I do with my degree?" tool. This is helpful for thinking about what A level choices lead to university degrees and jobs.

4. Careerpilot

<https://www.careerpilot.org.uk>

Careerpilot helps explore career options, qualifications, and routes like university and apprenticeships.

5. Start

<https://www.u-explore.com/page/home-page>

Start is free online careers platform to connect 11–18-year-old with their future career potential.

6. Springpod

<https://www.springpod.com/>

Springpod is a virtual work experience website where you can sign up to do virtual work experience in a variety of sectors.

7. Target Careers

<https://targetcareers.co.uk>

Target Careers offers career advice, employer profiles, and information on university and apprenticeships.

Skills & Personality Assessments

1. SACU Career Quiz

<https://sacu-student.com>

A visual and interactive quiz that links your interests to careers and study options.

2. 16Personalities (*Personality test*)

<https://www.16personalities.com>

Personality profiling to help you understand your strengths and possible career fits.

3. Buzz Quiz (by icould)

<https://icould.com/buzz-quiz>

A quick and fun personality quiz that connects your personality type to possible careers.

University Research & Advice

1. UCAS (UK)

<https://www.ucas.com>

The central service for applying to UK universities. Offers course search tools, application guidance, and career insights.

2. Whatuni

<https://www.whatuni.com>

Student reviews, course comparisons, and university rankings to help you choose the right course.

Apprenticeships & Alternatives to University

1. Amazing Apprenticeships

<https://amazingapprenticeships.com>

Provides up-to-date info on apprenticeships, including school leaver and degree-level opportunities and employer case studies.

2. RateMyApprenticeship

<https://www.ratemyapprenticeship.co.uk>

Student reviews of apprenticeships, job listings, and employer rankings.

3. Not Going to Uni

<https://www.notgoingtouni.co.uk>

Shows alternative routes such as apprenticeships, gap years, and vocational training.

4. Government apprenticeship website

<https://www.findapprenticeship.service.gov.uk/apprenticeshipsearch>

Search for an apprenticeship near where you live and find out starting salaries.
