Running Trainers

We understand that people have different feet sizes and shapes, and therefore need a specific size, brand and shaped shoe. We do however ask that trainers need to be predominantly black, and suitable for running. We ask for black trainers as black is a common and universal colour of many shoe brands, which also doesn't not show much dirt; and we also ask for a running style of trainer that would provide adequate support for student's feet during the activities in PE classes.
