

Year 7 Catch Up Premium 2019-20

The Year 7 Catch Up Premium is funding provided by the Department for Education to help raise the attainment of students who meet the criteria for the Year 7 catch-up premium. This is to support student progress in English and Maths at the start of secondary education.

In 2018-19 Ealing Fields received £10,341.

In 2019-20 Ealing Fields received £10,944.

The funding is allocated to support:

- Literacy core elective lessons
- Numeracy core elective lessons
- Spelling group
- 1:1 reading

Last year the early intervention for literacy had a really effective impact on student achievement. The average rate of progress for a Year 7 student needing literacy intervention was 2 years 3 months.

This funding has been subsumed into Covid catch up funding in 2020-21.
