## Upcoming Dates

Disco Tonight

9<sup>th</sup> – 13<sup>th</sup> June: Year 4 Multiplication Times Table Check

9<sup>th</sup>– 13<sup>th</sup> June: Year 1, 2 Assessments

9<sup>th</sup> – 20<sup>th</sup> June: Years 3, 4, 5

~~6<sup>th</sup> June: FOES Larwood Bake Sale~~ **Rescheduled for 13<sup>th</sup> June**

w/b 9<sup>th</sup> June: Phonics Screening Check: Year 1

16<sup>th</sup> – 20<sup>th</sup> June: Year R Assessments

## Important: Assessments

**Currently going on in school.** Please ask your child's class Teacher for further details.

**Pupils in Year 1-5** are completing their **end of year assessments**.

**Pupils in Year 1** will complete their **Phonics Screening Check next week**

**Pupils in Year 4** are working 1:1 with Mr Newman to complete their **Multiplication Tables Check**

Really important to ensure your child is here, every day, and feeling prepared to give it their best. These assessments are nothing new to our pupils. They will have already practiced, multiple times. The results of which, continue to inform our planning and subsequent teaching. This is also true of end of year assessments, which inform the next teacher/academic year, as well as teaching to any gaps for the remainder of the year.

## Year 4 Multiplication Check

Keep going Year 4; keep practising on Rockstars and websites like this: [link](#). Whether you've sat your test, or not, your tables knowledge is key.

## Year 1 Phonics Screening Check

Keep pushing Year 1. Being a fluent reader is what it's all about and phonics is the first step to unlock that treasure-trove of awe & wonder that waits for you!

## Old Hunstanton & Rauf Relocation Day

**Monday Fun Day Reminder: [LINK](#) & Rauf Relocation Reminder**, including... *Come on & join our Conga...doo, doo, doo!* [LINK](#)

Thanks for supporting the Year 6s parents; they raised a few hundred pounds and – combined with the FOES Love your Year 6s Enterprise Event – are well on the way for being able to afford to pay for their coach; entrance; lunch at Wicksteed; inflatables for pool party and Dominos!

## Sports Day

Parents: thanks for being such good *sports!* We're really proud of our pupils' athleticism & integrity, as I'm sure you are, too. Please see [LINK](#)

## Swimming Pool

Is open! Reminder of swim days via letter link: [LINK](#)

## Patchwork Quilt: Craft Club

Special thanks to Sue & Teresa for running their craft club.

There's been some wonderful creations, but how about this one? A befitting tribute to our school's culture. Thank You Elsie, Ava, Jessica, Riley, Bobbi, Freya, Layla-Fae, Eliza, Finley, Faye, Harper, Darcie, Lenny, Mason & Teddy!

**EARITH COMMUNITY  
YARD SALE**

**Saturday 14<sup>th</sup> June 2025**  
**10am-2pm**

Collect your maps from the preschool  
or Rector's Hall for just £1

Raffle tickets and many games at pre-school site

Earith Community Cafe at Rector's Hall

*and so much more!*

**SEE YOU THERE!**

All profits to Earith Preschool 7  
Registered Charity No 29788

# Learning Highlights of the Week

## Antony Highlights:

Antony Class have begun exploring fairy tales through a range of activities. The children wrote captions, built a carriage for Cinderella, designed ball gowns with intricate details, and made their own crowns fit for a prince. The Year 1 children also practised joining ideas using "and" to connect two ideas in their writing. Inspired by Sports Day, the children worked on developing their throwing technique using foam javelins. It was lovely to see how much their technique and ability to throw for distance improved in just one lesson.

## Wenzel Highlights:

It was a pleasure to see Wenzel showing good readiness as they learnt how to run relays in PE. They had to be poised to receive the baton then run on to the next person and they were quicker with each practice. We have started our new Computing unit about the International Space Station and were intrigued by the images of floating food and the sleeping bags secured for safety in zero gravity! The children were able to reflect on why digital technology, such as sensors, would be needed to help the scientists survive so far away from Earth.

## Larwood Highlights:

In Larwood Class this week, we have enjoyed starting our Science unit on electricity by learning about where our electricity comes from, how we store it and the dangers that it poses. Some excellent questions from the children led us on a journey of discovery: finding out the various uses of electricity around school and our homes; learning which countries provide us with the most energy; considering how big or small batteries could be and uncovering what the inside of a battery looks like!

## Rauf Highlights:

The highlight for the children has undoubtedly been swimming! They were so excited to begin their lesson and it was a joy to see their beaming faces, as they headed off to the pool. Even after just one session, it was wonderful to hear how each child made progress - whether by going underwater for the first time or by refining their stroke technique. There's no doubt they're eagerly looking forward to their next session.

# Curriculum Champions

This week's Curriculum Champions are:

**Antony Class:** Harper, Nova, Eddie

**Wenzel Class:** Jenson, Harrison, Yr 1 & 2

**Larwood Class:** Amelia, Charlie W, Elysia

**Rauf Class:** Charlie, Jamie, Megan

George
