## Hunts Post: Steve Antony Visit

What a day. What a man. We love READING!

LINK:

<https://www.huntspost.co.uk/news/24897774.steve-antony-inspires-pupils-earith-primary-school/>

## Boxercise

Spaces still left for YDP's Boxercise after school club after half term. Around 70% of children were really interested in taking part. Is yours? It's on a Wednesday. £35 for 10 sessions. If you are concerned about meeting the cost for this, please reach out to me. Details [HERE](#)

## FOES School Lottery

Reminder: Link: <https://www.yourschoollottery.co.uk/lottery/school/earith-primary-school>

## Love Your Year 6s: Enterprise Event:

The package of enrichment for each year's Year 6 cohort of leavers is established and the bar is high: Hoodies, independent projects, pool party, Domino's & Wicksteed Park! The Year 6s try to fund as much of this as they can – hence Enterprise events. On this one, there may even be an opportunity to *'sponge Mr Abbs!'*

**Friday 14<sup>th</sup> February 2025. After school,** in the Hall, and on the KS2 playground!

See flyers below. Any **pre-loved books & games you can donate** before Friday for the Year 6s to sell? Please bring them to the office.

**Parents of Year 6s:** do you give **permission** for your Year 6 to **stay and help Mrs Matthews in the Hall/at this event?** Please call the school office and confirm.

**LOVE  
YOUR  
YEAR 6'S**

**Donations needed!**

We are looking for pre-loved books and toys for this event. If you have anything looking for a new home, please pop them into the office.

Thank you for your support.

FEBRUARY 14TH

**LOVE  
YOUR  
YEAR 6'S**

Our year 6 class may be small, but they will leave a huge hole in our school when they leave in the summer. What better day of the year to celebrate these wonderful children than Valentine's Day. Please join them after school in the hall for some fun, games and sweet treats. All money raised will go towards the much loved year 6 trip to Wicksteed Park in July.

FEBRUARY 14TH

## Whole-School Trip: The Beach

If we were to go on a whole-school trip, where would you like to go, children? Beach & Zoo were shortlisted as the top two suggestions during Class Council discussions, with the majority of pupils subsequently voting for the beach.

It's booked! Monday 19<sup>th</sup> May 2025.

All within the school day. By the time we're there (Old Hunstanton), a few hours to frolic in the sun (fingers crossed); splash a bit by the ocean's edge; eat lunch and play in the sand before returning to school,

Details to follow over coming weeks.

**Rest assured**, this trip will be handsomely **planned, risk assessed** and **staffed**.

## Pre-booking school dinners in Arbor and Reporting Absences in Arbor

This is just a reminder that you can pre-book school dinners in Arbor for your child. This can be especially helpful if your child will be missing morning registration for a medical appointment, for example.

Please remember to report your child's absence in the Arbor App.

## Lunchtime: Loom Bands

The children voted. They're back – not every day, though!

Children can take home what they've made, but mustn't wear them in school (after lunch) so as to not distract learning.

## ITT Roadshow Events:

“Are you, or is someone you know, interested in finding out more about a career in teaching?”

If so, join us in the next few weeks for one of our Teaching Taster Session, run by Active Teacher Training in Cambridge, Lowestoft and Ipswich. Discover the magic of the classroom and get lots of advice from our friendly team about how you can train to teach with us in 2025!

Find out more here: <https://activelearningtrust.org/ATT/roadshows>”

# Learning Highlights of the Week

## Antony Highlights:

The children in Antony Class have been inspired this week by the story *Aliens Love Underpants*. They have drawn and written about the planet the aliens could live on, as well as inventing a way to check that there aren't any aliens lurking in their underpants! There was also some great problem-solving on display as the children worked together to construct a washing line and hang out the washing – luckily, no aliens in sight. The children consolidated their knowledge of number bonds, particularly ways that 5 is composed, through the rhyme *Five Little Men in a Flying Saucer*, accurately working out how many had flown away and how many were left in the spaceship.

## Wenzel Highlights:

In Wenzel class, Year 2 have been busy exploring the connection between the 5 and 10 times tables, spotting patterns to help with quick recall. Meanwhile, Year 1 have been investigating how to split a whole into parts in different ways, deepening their understanding of number bonds. Great mathematical thinking all around!

## Larwood Highlights:

What an incredible week we have had in Larwood Class! Firstly, the children have conducted themselves brilliantly in assessment week, trying their hardest and showing off what they have learned so far this year; excellent resilience and reflection from them all.

Secondly, we have finished our novel *Podkin One Ear*, by our class author Kieran Larwood. We have fallen in love with Podkin and his crew, and so enjoyed finding out the incredible twist of the bard at the end of the story! We've already had requests for more copies in the library!

And to top off this week, we have also had the most incredible class trip to Cambridge! We Toured the gorgeous Cambridge Central Mosque, which links to our learning in RE, as well as engaging with artefacts from the Egyptian, Roman and Greek exhibits at the Fitzwilliam Museum. The children represented Earith Primary School brilliantly, asking phenomenal questions and being respectful to members of the public. Well done Larwood.

## Rauf Highlights:

This week in art, children have been drawing inspiration from the rich traditions of West African art, specifically the Bamana culture of Mali. Using their knowledge of Malian headdresses, they designed, crafted and decorated stunning insect sculptures in this distinctive style. Their finished artwork showed an exceptional level of detail.

# Curriculum Champions

This week's Curriculum Champions are:

**Antony Class:** Leah, Connie, Abe

**Wenzel Class:** Isabelle, Emilia, Elsie H

**Larwood Class:** Georgie, Harry, all Larwood Class

**Rauf Class:** Dominik, Gordon, Nathan

HOUSE WINNER THIS WEEK:

Thomas

Isabelle

Jasmina
