Learning Highlights of the Week

Antony Highlights:

Antony Class have enjoyed listening to and retelling the story Whatever Next. Towards the end of the week, the children thought about where their rocket ship would take them.

Wenzel Highlights:

Our Year 1 learners had an amazing time exploring the world of 3D shapes this term! From hands-on activities to outdoor adventures, the children used everyday objects to identify cubes, cylinders, cones, and spheres in their surroundings. It's been wonderful to see their enthusiasm grow as they connected their discoveries to real-life objects—whether it's spotting a sphere in a football or a cone in an ice cream treat!

Larwood Highlights:

In Larwood Class this week, we have been learning all about habitats in our ecology unit in Science. We have learned how all living things need a habitat to survive, discovered that some living things can be habitats themselves, and spent time researching different types of habitats on laptops.

Rauf Highlights:

Rauf Class a wonderful PE session this week. It was our very first hockey lesson and the children worked hard to apply the knowledge and skills needed to guide and pass the ball with the hockey stick. The children showed dedication and resilience when perfecting their passing skills, which will serve them well when we progress towards a full hockey match. Well done, Rauf Class.
