Upcoming Dates

9th – 20th June: Years 3, 4, 5

16th – 20th June: Year R Assessments

18th June: Wenzel Swimming

20th June: World Music Day (Special Guests)

23rd June: All children wear PE kits to school

25th June: Larwood Swimming

26th June: Pre-School Stay & Play Session (September Starters)

30th June: Year 5 & 6 Bikeability this week

Monday 23rd June

Wear your PE kit to school – **all children**. A small treat on the field (weather permitting) that children will be able to access with their classes during the day!

Times Table Rockstars gets a Glow Up: Live on 23rd June

Looking cool: [LINK](#). Will your devices be compatible at home, parents? See notes in [LINK](#).

Hot Days

As always, on hot days, feel free to send your child in, in their PE kit if it is supportive.

Sun Cream

Sun cream can be applied at home and/or pupils can bring it in, so long as they can apply it themselves and do not share with others (mindful of allergies, reactions to unfamiliar brands/types, for example).

Caps, Glasses etc

All perfectly fine provided we are wearing it for protection; not in lessons and not sharing/playing with our accessories – throwing our hats around the field, for example. Please reinforce.

Water Bottles

Are a must. We now have a *bottle filler* in the KS2 corridor which children have enjoyed accessing.

Take the Shade

When the children hear me cry, they know what to do/where they can go. These mini shade breaks give us a chance, part-way through lunchtime, to feel our body signals & regulate accordingly – actioned multiple times in very hot weather.

Disco Feedback

Thanks for your support & the feedback. We understand that – logistically – it may have provided you with some inconveniences. However, *boots on the ground* (adult observations) report a much calmer, safe and more pleasurable experience for our pupils. Voting amongst pupils, Year 1 – 6: **vast majority** preferred the split. This will be our model moving forward.

Price structure for Disco is set by FOES. If you have any feedback about this, please pass it directly to FOES.

We always aim to set two discos a year: January & May/June.

Omelette versus Frittata

Not all of the data is in, but omelettes have a slight edge at the moment. Evelyn, councillors and I thought you may like to know.

Assessments:

Well done to all the children who have worked incredibly hard on their assessments. Some have finished, some are part-way through. Please reinforce the message that these are just a snapshot in time and *learning never stops*. Keep working hard to the very best you can be, children!

Reminder: Our Community Page

There's a myriad of opportunity out there: [LINK](#)

Swimming Pool

Is open! Rauf & Antony have had their first sessions. Lovely to hear – once again – the splashes and screams (of joy!) from my office, poolside! It's a privilege to see each year's Year R take to the pool *like a duck to water*. Speaking of which...where's our swan... [LINK](#)

Learning Highlights of the Week

Antony Highlights:

The highlight for Antony Class this week has got to be swimming. It was wonderful to hear from the children how much they enjoyed their lesson and how much they accomplished in just one session. They're definitely looking forward to the next one.

Wenzel Highlights:

PSHE has been a highlight for Wenzel Class this week as we have looked at several books to help us consider how people grow and change. The children discussed what they can do now that they couldn't do when they were younger and talked about some of their hopes for the future. After listening to *The Great Big Book of Families*, and learning that there are lots of different types of families, the children wrote some super sentences about their families and home routines.

Larwood Highlights:

In Larwood Class this week, we have enjoyed the music of *carnival*, listening to, appreciating and recreating Samba music! The children have played drums, tambourines, agogos and other percussion instruments to create a Brazilian cacophony. We have also been practising the hurdles and relay race in PE, as well as learning about the islands that make up Japan.

Rauf Highlights:

This week's learning highlight emerged from our history studies, building on our exploration of women's rights and individual freedoms. The whole lesson fostered maturity, respect, and thoughtful dialogue - with some fantastic questions and differing perspectives, shared. What began as a discussion grew into a powerful moment of shared reflection, with all children showing a genuine interest. Well done, Rauf Class.

Curriculum Champions

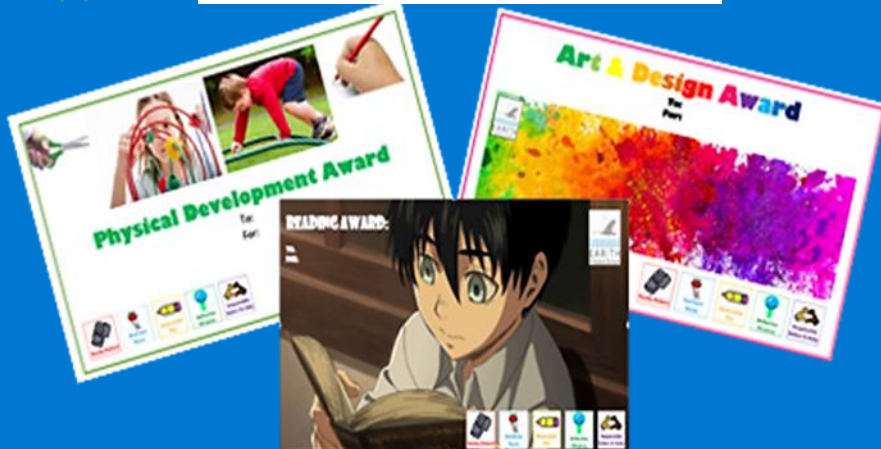

This week's Curriculum Champions are:

Antony Class: Kenzie, Teddy, Robyn

Wenzel Class: Freddie, Jasmina, Darcie

Larwood Class: Oliver, Emilia, Elsie

Rauf Class: Oceanna, Lily, Umar
