Attendance & Fines/Penalty Notices

Nice to see our attendance rates starting to rise again. This is extremely important. Missed days equals more gaps in learning which equals slower rates of progress. We *all* want our children to achieve the very best – keeping our pupils as healthy as we can: diet, exercise, fresh air and attending school every day and on time.

Please also consider new thresholds 1, 2 & 3 over any 10-week period for unauthorised absences. This can span over a 3-year period. Avoid term-time holidays/leave and don't be late to school – that's the golden rule!

Ultimately, no parent wants to be subjected to a £2500 fine, per child, per parent!

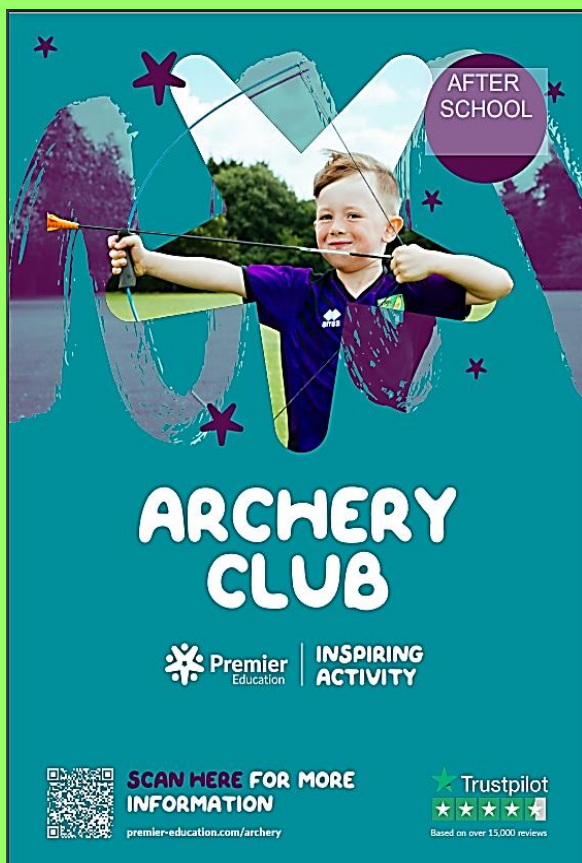

Behaviour: One Page Summary

Reduced-Rate Afterschool Clubs.

Why not try out gymnastics or Archery at a reduced rate of £2.50 per session? Starting in the New Year with Premier Sports.

If you would like your child to try this, but the cost is still a barrier, please personally reach out to me.

How to Report Your Child Absent on Arbor

Step 1: Home Page

Step 2: Menu Button, bottom left 

Step 3: Attendance

Step 4: Log absence

Over time, if everybody can report absences on Arbor or over the phone, this would be extremely helpful in supporting smoother systems at school. Thank you for your support with this.

Costumes

Thank You for supplying your children with the correct colours for their costumes and on time for today's dress rehearsal.

If you haven't sent it in, there's still time. Please do so ASAP early next week.

Christmas Jumper Day

Some absolute beauties this year...

Thank You for your support. Christmas Jumper Day was in aid of Save the Children. If you wanted to make a private donation, you can here:

Christmas Bazaar

On behalf of FOES, Thank You to the school/local community for – once again – supporting our annual Christmas Bazaar

There were some fantastic stalls; wonderful prizes and a real positive energy and sense of community throughout the night. Thank You, FOES.

Hopefully we'll be able to share the bottom line with you soon!

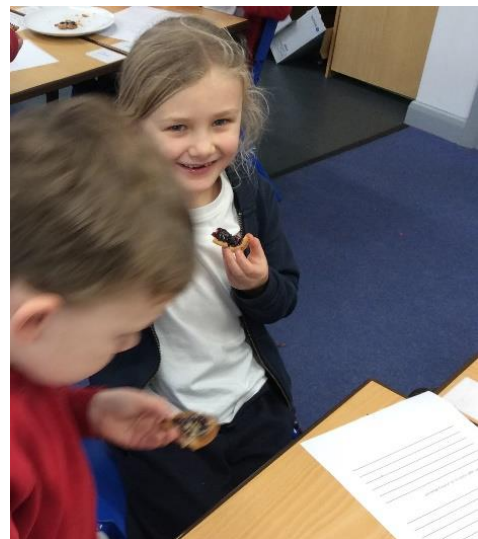

Learning Highlights of the Week

Antony Highlights:

This week in Antony Class we have been learning about why and how Christmas is celebrated. We have retold the story of the first Christmas and thought about how we celebrate Christmas in school and at home.

Wenzel Highlights:

Wenzel Class have enjoyed learning to make jam tarts. First, we tasted three flavours of jam and rated them. It was great to hear some children independently making a link back to a book they had recently read in Guided Reading; they fluently read *Blackcurrant Jam* to the rest of the class. After reading recipes and writing lists of ingredients and equipment, we set to work making the jam tarts! The children showed good team work during cooking and they were especially enthusiastic about tasting and evaluating their tarts!

Larwood Highlights:

Our highlight in Larwood Class this week has been writing a detailed non-chronological report about our learning in History, all about the Ancient Greeks. We have written fact-rich paragraphs to share our knowledge with our reader. We have also enjoyed learning about invertebrates in Science, finding out about different types of creepy crawlies and creatures with slimy feet!

Rauf Highlights:

Rauf Class have shown fantastic creativity and attention to detail, while preparing their costumes for the Christmas production. They've designed, cut, stuck, and sewed their costumes, turning their ideas into reality. It was lovely to see the children work together, showing excellent teamwork. I am sure their efforts will light up the stage!
