## Upcoming Dates: Spring

24<sup>th</sup> February – 7<sup>th</sup> March: Year 1 Assessments

24<sup>th</sup> February – 14<sup>th</sup> March: Year 2 Assessments

26<sup>th</sup> February – Year 1 & 2 trip to Cambridge

3<sup>rd</sup> – 14<sup>th</sup> March: Year 6 Assessments

4<sup>th</sup> March: Heights and Weights for Reception and Yr 6

5<sup>th</sup> March: **A Day Early**, World Book Day

## Half-Term Holiday: Home Learning

By now, you probably know the expected routine for a week's break:

1. **Read** every day (read with, read to, read independently)
2. ~~Watch~~ **Read TV** (put the **SUBTITLES** on!!). This can support reading fluency to *rocket!*
3. Rockstars/Numbots
4. Shed
5. Go out: *live, love & learn* – I'm sure there'll be some **Curriculum +** in there somewhere!

## Boxercise

Wednesdays after school. Spaces still left. Interested? Details [HERE](#)

## World Book Day

5<sup>th</sup> March (for us – one day earlier!).

Worth putting under your radar now, in case you were considering buying, or making something? Same rules every year. **EVERYONE'S A CHARACTER.** Dress up as whoever you like. Let's have fun because reading is fun!

**ONE RULE: nothing we might consider violent/scary/Halloween-like/inappropriate for 4 year olds to see, or I will not allow a child to wear it.**

## Year 6 SATS Meetings with Mrs Matthews

I've always said how lucky we are to have such supportive parents but I observed Mrs Matthews looking & behaving *invigorated* having met with Year 6 parents 1:1. I didn't need to ask any more questions. I know it's because we all want the same thing!

## Year 1 & 2 School Trip 26.02.2025

Don't forget to sign up for the trip via Arbor

## ASCA Concert

Well done to our musicians. Lovely to hear the progress pupils are making across their singing and instruments learnt. Thank You for the feedback for this, inaugural event, parents – and your attendance. Thank You, ASCA.

## FOES School Lottery

Reminder: Link:

## Half-Term Holiday Works

1. Creating a few extra car parking spaces
2. IT cabling throughout school to support computer processing speed for pupils.

Have a lovely Half Term Holiday

# Learning Highlights of the Week

## Antony Highlights:

We finished our unit of work on Space by learning about the galaxy we live in, exploring different star constellations, and creating our own constellation pictures. The book *How to Catch a Star* by Oliver Jeffers provided inspiration for a discussion about how we might catch a star, which led to some wonderful ideas that the children then drew and wrote about.

## Wenzel Highlights:

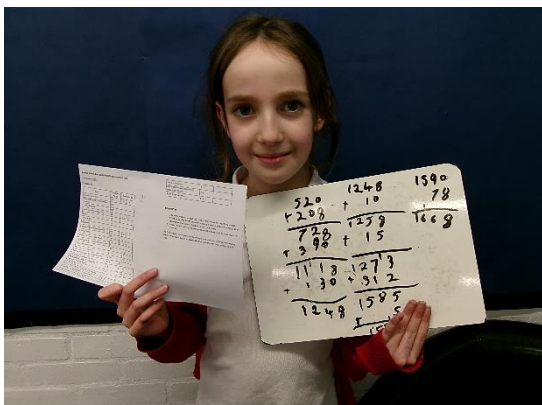

Wenzel Class has learnt the poem 'On the Ning Nang Nong' off by heart and performed it with great enthusiasm. We explored rhyming words and used this to write our own verses about strange lands with animals that make all sorts of nonsense noises. In PSHE, we have recently been learning about how to work well together and this week children applied what they had learnt about listening and explaining to demonstrate to each other how to play their favourite playground games. It was lovely to see children calling on each other to help demonstrate, drawing little diagrams and giving examples.

## Larwood Highlights:

In Larwood Class this week, we have been perfecting our balances in PE. Children have learnt how to lower their centre of gravity to balance more securely, and performed some beautiful arabesques. Children have also been developing their understanding of financial responsibility, valuing the importance of budgeting, saving and earning money.

## Rauf Highlights:

The highlight of the week for Rauf Class was an engaging PSHE lesson on **Financial Responsibility**. During the session, the children practised setting and calculating budgets, while striving to stay within their financial limits! It was fantastic to see them so engaged and thoughtful, recognising the importance of managing money wisely.
