## Upcoming Dates (reminder: look at bottom for full listings)

7th – 21st March: Year 4 MTC Practice

19<sup>th</sup> March: Year 5/6 trip to Wisbech

21<sup>st</sup> March: Year 1 & 2 Class Assembly

24<sup>th</sup> March: World Maths Day (23<sup>rd</sup> March worldwide)

## British Science Week!

What a week; just fabulous. From me, a personal thank to our subject leaders, teachers, and support staff for making this week such a wonderfully memorable, interactive and inspiring week, full of awe & wonder!

## Events & Learning Gallery

Some lovely snaps from World Book Day, DT Day and Science Day if you haven't already seen them: [LINK HERE](#)

## DT Day 2025

There was such a busy buzz in the school during our annual DT Day on Tuesday! Thank you to all who provided recycling for Reception's junk modelling; their animals were fantastic and the children were able to talk about how they had designed their animals for their habitats. Year 1 and 2 showed excellent resilience with their sewing to create and decorate pencil cases; thank you to Mrs Thurston, Mrs Smith, Mrs Edmonds for coming in to help. It was great to see Year 3 and 4 getting stuck into making their own pop-up books with a range of mechanisms and bringing them to life with their own illustrations. Finally, Year 5 and 6 cooked up an array of appetising mezze dishes and enjoyed a sunny picnic together. DT is such a purposeful subject and our children shine in their enthusiasm for it - a great day all round!

## Science Day 2025

What an incredible week British Science Week has been at Earith Primary School! From live experiments in assemblies to investigative lessons, to poster competitions, children have really been hands-on when working scientifically.

On Science Day, children learned about the adaptations animals need to make in order to survive in different environments, then built functioning habitats and adapted them to certain creatures. We also observed how heights change as we age and worked out the average heights of our groups, houses and whole school! Lastly, we learned how physical features are inherited by offspring, and used Mr Men and Little Miss to demonstrate what we had discovered.

It was a brilliant Science Day, and particularly pleasing to see children from across the school work together in their houses to grapple with deep scientific knowledge.

## Support Pre-School

Cake sale on the school grounds: **Friday 21st March** at the end of the school day. Please bring some change if you can. Much needed funds to support colleagues & pupils next door.

## School Trips

Reminder: you have to give permission in Arbor for your child to attend a school trip (irrespective of whether you've paid). If you can't work it out, give us a shout, or ask another parent – we're all learning together!

## Reminder: Safeguarding Survey: Please Complete

Every 2 years, our Safeguarding practices and provision is externally reviewed by Incyte International.

Our next visit is at the end of March. We would be grateful if you could complete the parent survey to share your views **within the next week** [LINK HERE](#)

## Knowledge Organisers

Linked to your child's study for the half term: [LINK](#). Really great to reinforce key knowledge & vocabulary. Simply click on your child's class and the current half term. Or, go back and revisit previous studies with your child – this is known as **retrieval practice** and is a teaching strategy used here in school. You'll have us out of a job before you know it!

## School Council: Field Rota

Understandably, the children are desperate to get back on the field as the weather improves. School council last week saw children voting on their order of preference between the Activity Cube; Scooters on the Playground & the EYFS area being open. This feedback has shaped our provisional timetable for the field/summer months.

Hopefully not long to go now, children – just a few other things that need to happen:

1. Reception children need to pass their induction to use the gym safely
2. The grass needs another cut and we're having a football pitch marked out
3. We need our launch assembly which shares the expectations, rules & rota e.g which provision is open on which days; for whom and who is supervising
4. Finally: fingers crossed for dry and hopefully warm conditions

# Learning Highlights of the Week

## Antony Highlights:

The highlights of this week were definitely DT and Science Day. It was wonderful to see the children demonstrating our core values throughout these activities. On Tuesday, they worked hard on their animal or pencil case projects, showcasing their problem-solving skills and attention to detail. Then, on Thursday, the children took part in four exciting investigations focused on the theme of change and adaptation. They approached these activities with curiosity and enthusiasm. Certainly an inspiring week for all.

## Wenzel Highlights:

It was wonderful to see Wenzel Class being so enthusiastic about sewing and decorating pencil cases during DT Day. They used a running stitch to join two pieces of fabric and also learnt about seams and feature stitching. They showed fantastic resilience and responsibility throughout the day. We also played a circle game, passing around different clothes and having to name the fabric, describe it and identify the fastening each time the music stopped; they generated some great adjectives to describe the fabrics and looked at their familiar coats, hats and hoodies in a new light!

Science Day was a further highlight, starting with the excitement of live experiments in assembly and then into a range of practical activities in their houses. Wenzel Class enjoyed supporting, and being supported by, others across the school!

## Larwood Highlights:

The highlight in Larwood Class has been the action packed themed days for British Science Week. On DT day, children loved designing and making pop-up books about the life cycle of a plant. Making prototypes of linkages and using them in our books was a difficult but rewarding task! On Science day, we enjoyed making habitats and investigating changes in the natural world.

## Rauf Highlights:

This week, Rauf Class showcased their culinary skills in Design and Technology by preparing a delicious Mezze. Not only did they work together to follow a recipe, they also had the opportunity to sample their final creations!

Additionally, the children demonstrated outstanding dedication and enthusiasm during Science Day. They worked alongside some of the youngest pupils in the school, generously giving their time and support to help them explore habitats, height and genetics.

# Curriculum Champions

This week's Curriculum Champions are:

**Antony Class:** Mia, Reggie, George

**Wenzel Class:** Freddie, Forrest, Mason

**Larwood Class:** Ivy, Amelia, Remie, Ariaah

**Rauf Class:** Lucas, Nathan, Aysha

HOUSE WINNER THIS WEEK:

Abigail

## New in green Emphasizing/Revisions in yellow

### Spring 2

7th – 21st March: Year 4 MTC Practice

19<sup>th</sup> March: Year 5/6 trip to Wisbech

21<sup>st</sup> March: Year 1 & 2 Class Assembly

24<sup>th</sup> March: World Maths Day (23<sup>rd</sup> March worldwide)

1<sup>st</sup> April: Egg Decorating PM

2<sup>nd</sup> April: Egg Rolling Competition PM

2<sup>nd</sup> & 3<sup>rd</sup> April: Parents' Evening

4<sup>th</sup> April: Head Teacher Awards, End of Term Awards Assembly; FOES Egg Hunt after school

### Summer 1

25<sup>th</sup> April: FOES Bake Sale: Rauf Class

2<sup>nd</sup> May: Year R Assembly

12<sup>th</sup> – 15<sup>th</sup> May: Year 6 SATS

16<sup>th</sup> May: FOES Disco

19<sup>th</sup> – 23<sup>rd</sup> May: Healthy Week

21<sup>st</sup> May: Rauf Relocation Day (Year 6 Enterprise Project/Fundraising)

23<sup>rd</sup> May: Head Teacher Awards, End of Term Awards Assembly

23<sup>rd</sup> May: Sports Day (1pm onwards)

### Summer 2

June: Gypsy, Roma & Traveller History Month

2<sup>nd</sup> – 13<sup>th</sup> June: Year 4 MTC

2<sup>nd</sup> – 13<sup>th</sup> June: Year 1, 2 Assessments

2<sup>nd</sup> – 20<sup>th</sup> June: Years 3, 4, 5

6<sup>th</sup> June: FOES Larwood Bake Sale

16<sup>th</sup> – 20<sup>th</sup> June: Year R Assessments

20<sup>th</sup> June: World Music Day

26<sup>th</sup> June: Pre-School Information Evening

30<sup>th</sup> June: Year 5 & 6 Bikeability this week

4<sup>th</sup> July: Sid the Cygnet's 5<sup>th</sup> Birthday: FOES Sponsored Walk: Geography Focus

4<sup>th</sup> July: Sid the Cygnet's 5<sup>th</sup> Birthday: FOES Sponsored Walk: Geography Focus

9<sup>th</sup> July: Wicksteed Park Year 6

11<sup>th</sup> July: FOES Bake Sale: Wenzel

18<sup>th</sup> July: End of Year Reports released tonight

21<sup>st</sup> & 22<sup>nd</sup> July: Earith Primary Transition Days

21<sup>st</sup> July: Class Logo Competition

22<sup>nd</sup> July: Head Teacher Awards, End of Year Awards Assembly & Leavers Assembly AM

22<sup>nd</sup> July: FOES Best Dressed Competition; Lunch outside (Dominos for Year 6)

22<sup>nd</sup> July: Year 6 Pool Party PM (TBC)
