### SATS Week (Year 6)

Is week commencing 12<sup>th</sup> May. A super important week for our Year 6s. If you know a year 6, wish them well in the build-up to this week – we're all behind you, Year 6!

### Book Club event: 2<sup>nd</sup> May

You may have seen the posters in school...

An exciting Earith Book Club event on Friday 2<sup>nd</sup> May. The theme is 'monsters' and is based on the book *Grobblechops* by Elizabeth Laird.

Tess Chalmers, who specialises in creative children's theatre, will be coming into school to host drama workshops. Each workshop may include: warm up games; group physicality; paper plate mouth puppets; reacting as an ensemble; monster consequences drawing game; bringing drawings to life using Bunraku; Monster BSL signs!

Please attend the after school book sale if you can. Here, children will also be able to collect their 'interval box'. Intrigued? Join us after school and ask your child about their day!

### **Recycle Cartridges**

Reminder: recycling old printer cartridges at school: collection box left in foyer

### **Fundraising**

Nav (Jasmina's dad) will be running 26.2 miles in the London Marathon this Sunday, raising money for FOES and pupils at Earith. See photo below of the madman with his biggest fan! And below is also the link for a crowdfunding page. If you can donate, please do!

GOOD LUCK, NAV!

### Learning Highlights of the Week

### **Antony Highlights:**

This week in Antony Class, it has been lovely to see lots of problem-solving and reasoning taking place across the curriculum. From working together to construct a den, to accurately counting larger groups during maths activities, the children have shown their thinking skills, creativity, and collaboration. It has also been great to hear them clearly explaining their ideas to one another.

### Wenzel Highlights:

In Computing, Wenzel class have been exploring the world of stop motion. We learned about the origins of animation and discovered that John Barnes Linnett created the first flipbook all the way back in 1868! Inspired by his invention, we had a go at making our own flipbooks to understand how still images can create the illusion of movement. The children were full of creativity and showed fantastic focus.

### **Larwood Highlights:**

In Larwood Class this week, we have been really engaged with our new History topic, The Stuarts. Learning about James I & VI, children have asked incredible questions and taken part in a debate about the Divine Right of Kings. We have also enjoyed learning about the different states of matter and starting to practice our shotput technique.

### **Rauf Highlights:**

This week in PE was a real highlight for Rauf Class as we began practising long-distance running. It was lovely to see the children supporting one another through their 'running buddies,' showing great teamwork and encouragement. They demonstrated a growing understanding of pacing and stamina, learning how to manage their energy over longer distances. A fantastic start to our athletics journey!
