Parents' Evening Slots

Separate letter sent to you via Arbor. See information [here](#)

School Council Applications: Message from our Chair of Governors

A huge thank you and well done to all of the applicants. We received an incredible 50 applications this year! The standard was very high and Mr Abbs and I have now begun the difficult job of shortlisting for interviews.

Interviews will take place on Wednesday and all children will know on Wednesday whether or not they have been appointed. We will endeavour to give feedback to every child who applied.

A lot of consideration has been given to the process; we are committed to making this a worthwhile experience for your children; helping them gain skills and experience that will benefit their personal development. We thank you for your support with this.

1st EBC Scout Group: Bonfire Night 2024

Saturday 2nd November: Mehew's Field, Wood End, Bluntisham – see flyer below.

Ticket purchases are encouraged online although you may purchase them for cash at the school, Notification will be sent out when they are available.

Please see poster at the end of the Newsletter.

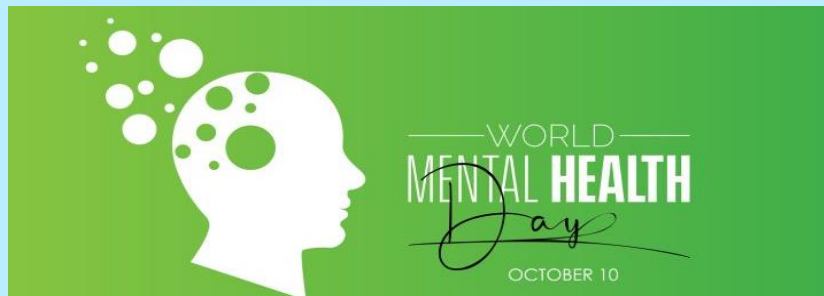

Bridge & General Travel

Many of you will have been affected due to localised conditions impacting your normal travel arrangements over past weeks. Thank you, from us, at prioritizing your child's education and ensuring that they arrive to school safely, and on time.

World Mental Health Day: Message from Mrs Matthews

This year, to mark World Mental Health Day, we held a special assembly to focus on understanding the importance of mental health and how we can support one another. Throughout the day, each class, from Year R to Year 6, dedicated time to activities they find enjoyable, fostering a sense of wellbeing and positivity. Whether it was playing in the sand, building and constructing, drawing, or playing Scrabble, there were lots of happy faces. These activities highlighted the importance of creating moments that support and nurture our mental health.

Volunteers

Just a quick shout-out to our volunteers. Whether it's our governors; FOES raising funds for our school; our trusted chicken helpers; the ladies from Book Club; Michelle supporting the maintenance of our wonderful learning environments (et al); Tim supporting in Early Years, or Elaine, and now Pat, supporting our children to read, we're so lucky to have your support. Thank you from the Earith staff. Not only do you all have impact on our children's lives, you also support our mental health & wellbeing as staff.

Breakfast Club

The last Breakfast Club will be on October 25th. You should have received a letter. There is simply not enough demand to make it viable in the immediacy. Thank you to those of you who have needed it and supported it, as well as those who haven't and still supported it. And for the few of you who relied on it, I am sorry – we kept it going for as long as we could. I daresay we will review again some time in the future.

Learning Highlights of the Week

Highlight Antony:

The highlight this week for Antony Class has to be our work inspired by the story of The Little Red Hen. We retold the story using props and sequenced pictures to show the order in which things happened. We also used our phonic knowledge to read and spell some words from the story. At the end of the week we baked our own bread rolls. We mixed the ingredients, kneaded the dough and shaped it into rolls. After leaving them to prove, we baked the rolls and then finally got to taste them!

Highlight Wenzel:

Wenzel Class have been inspired by two artists' work during recent Art lessons. They used geometric shapes in their own paintings based on Klee's 'Three Houses' and organic shapes in their own collages based on Calder's 'The Star'. It was great to hear children applying their learning about colours, tints and shades as they discussed and created artwork.

Highlight Larwood:

Our highlight in Larwood Class this week has been learning about the great Greek philosophers: Aristotle, Plato and Socrates. Children enjoyed acting and thinking like philosophers, and sharing their deep knowledge of what they have learned so far about Ancient Greece. We have also enjoyed playing scrabble with children in Rauf Class as part of World Mental Health Day, and applying an increasing number of known facts to calculations in our arithmetic.

Highlight Rauf:

This week, our children enjoyed spending time with the children in *Antony Class*. It was heart-warming to see the older children play alongside the younger children, offering guidance and showing excellent leadership skills. They're now eagerly looking forward to next week, when they'll find out about their own buddy!

Curriculum Champions

This week's Curriculum Champions are:

Antony Class: Cruise, Thomas, Ellis

Wenzel Class: Lexi, Oscar, Faye

Larwood Class: Archie, Percy, Evelyn

Rauf Class: Lucas, Jayden, Harry D
