Upcoming Dates

20th June: World Music Day (Special Guests)

23rd June: All children wear PE kits to school

25th June: Larwood Swimming

26th June: Pre-School Stay & Play Session (September Starters)

30th June: Year 5 & 6 Bikeability this week

2nd July: Antony Swimming

4th July: Sid the Cygnet's 5th Birthday: FOES Sponsored Walk: Geography Focus (more details to follow)

Reminder: This Monday 23rd June

Wear your PE kit to school – **all children**. A small treat on the field that children will access with their classes during the day!

Please **do not** allow your child to access it during drop-off. Risk assessment, health & safety, behavioural, insurance reasons – you'll get it when you see it!

Food Waste

Is now collected separately. There must be nothing other than food scraped into the food waste bin. Children having packed lunch from home should be bringing home their rubbish so you can see what they've eaten. Please reinforce this with your child.

Pomfret Motors: Donation

Thank you to Pomfret Motors for their donation to the school which has been used to refresh our library with some gorgeous, new additions – wonderful.

Sid the Cygnet's 5th Birthday

Our annual sponsored walk to raise funds for the school; to celebrate Sid's Birthday (I know; he looks great for 5!) and this year, support geographical skills will take place on the 4th July. Details to follow next week. Look out for the sponsorship form and look out for our route around the village (released to parents only – pupils solve FOES' clues!) so you can wave us on from the side-lines & the rooftops!

Reminder: Hot, Hot, Hot...Slip, Slap, Slop

Hot Days

As always, on hot days, feel free to send your child in, in their PE kit if it is supportive.

Sun Cream

Sun cream can be applied at home and/or pupils can bring it in, so long as they can apply it themselves and do not share with others (mindful of allergies, reactions to unfamiliar brands/types, for example).

Caps, Glasses etc

All perfectly fine provided we are wearing it for protection; not in lessons and not sharing/playing with our accessories – throwing our hats around the field, for example. Please reinforce.

Water Bottles

Are a must. We now have a *bottle filler* in the KS2 corridor which children have enjoyed accessing.

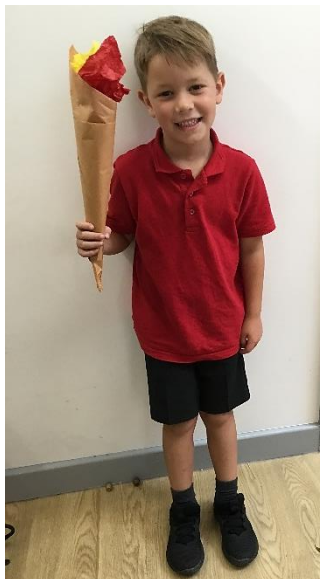

Take the Shade

When the children hear me cry, they know what to do/where they can go. These mini shade breaks give us a chance, part-way through lunchtime, to feel our body signals & regulate accordingly – actioned multiple times in very hot weather.

Learning Highlights of the Week

Antony Highlights:

The children in Antony class have enjoyed learning about two Greek myths this week. They have explored the stories of Prometheus and King Midas. They made torches with flames and acted out how Prometheus stole fire from Zeus to give to humans. Later in the week, they were inspired to build a stage to retell the story of King Midas and invited others to watch their performance. Children in Year 1 continued to use the conjunction 'and' when joining two sentences about these stories.

Wenzel Highlights:

Wednesday was certainly the highlight for Wenzel Class as it was our turn to swim! It was wonderful to hear Mrs Deili talking so positively about all the children's readiness to listen, learn and help each other. It was clear from their smiles when they returned to class that they'd had great fun in the pool. This week, I have also been impressed by the children's communication in maths. Year 1 and Year 2 came together for a lesson on position and direction and they were able to give and follow clear verbal instructions.

Larwood Highlights:

We have really enjoyed learning about the life, work and spiritual journey of Dr Jane Goodall - the activist and primatologist. Her incredible journey was extremely inspiring. We have also loved following, making and sharing photo trails in PE this week, and it was particularly fun seeing parts of the school from different angles!

Rauf Highlights:

We have really enjoyed learning about the life, work and spiritual journey of Dr Jane Goodall - the activist and primatologist. Her incredible journey was extremely inspiring. We have also loved following, making and sharing photo trails in PE this week, and it was particularly fun seeing parts of the school from different angles!

Curriculum Champions

This week's Curriculum Champions are:

Antony Class: Abe, Amelia, Reggie

Wenzel Class: Isabelle, Matthew, Oscar

Larwood Class: Charlie W, Archie, Sophie

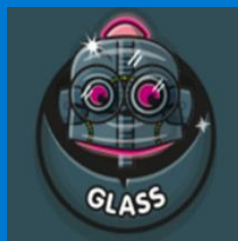

Rauf Class: Nathan, Lleyton, Oliver

HOUSE WINNER THIS WEEK:

Teddy

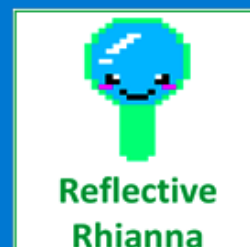

Oliver B
