Zones of Regulation Lesson 1: we learnt about **regulation**.

Zones of Regulation Lesson 2: we were introduced to the **Zones**.

Zones of Regulation Lesson 3: we were taught that all **Zones are Okay**

Review week – recapping our learning thus far

Zones of Regulation Lesson 4: we were taught to recognise the **body signals** which relate to our **emotions** and **therefore** the zones. Zones Bridge Letter 4: [HERE](#)

All emotions and Zones are Okay, but all behaviours are not. Please reinforce this message

World Mental Health Day 2025

*This year's Mental Health Day focused on the theme of reflection, linking closely with the **Zones of Regulation** and how we can support our mental wellbeing. Children engaged in a range of calming and mindful activities designed to help them recognise and regulate their emotions. These included extended reading time, colouring, mindful music sessions, yoga, and a variety of games that encouraged both fun and self-awareness. It was a valuable day for all, promoting strategies that support emotional health every day.*

Thank You, FOES

For a very kind donation of £500 to replenish some of our lunchtime stock. A proportion of this money has already been spent on 20 new basketballs & 20 new footballs to use at lunchtimes.

Learning Highlights of the Week

Bryon Highlights:

This week in Bryon Class we have started Drawing Club by drawing the Little Red Hen's friends and also what else she could make to eat.

Yarlett Highlights:

We started our new book, *The Day the Crayons Quit*, this week in English, discussing how the different crayons feel and why. We are looking forward to writing our own letters from the crayons' perspective next week. Phonics has also been a highlight this week as we start to learn new graphemes in both year groups. The children are showing curiosity about how words are spelled and their satisfaction when they can tackle reading and writing longer words with success is lovely to see.

Blabey Highlights:

In Blabey Class this week, we have enjoyed learning about the bronze age and finding out how the discovery of this new metal changed prehistoric Britain. We have loved playing the glockenspiel in music, as well as honing our cricket skills in PE.

Morpurgo Highlights:

Morpurgo Class have been working incredibly hard this week as they tackle formal division methods, with focus and determination. It's been fantastic to see their resilience shine through - especially when faced with tricky challenges. The children are showing a great understanding of the 'Learning Pit' and how perseverance will lead to success. Well done, Morpurgo - you should be very proud of your efforts this week.
