25th September: FOES AGM

26th September: Macmillan Coffee Morning (After School!)

3rd October: Harvest Festival (Showcase during Celebratory Assembly)

MacMillan Coffee Morning (After School!): 26th September in the Hall.

Just turn up after school in the Hall.

Relax, have some cake and a cuppa.

If you want to donate, feel free to do so in your own time via the e-link/QR poster that will be in the Hall. No pressure to do so.

Your company is just as important.

Cakes are made and provided by Edwards & Blake – and their catering teams across the Cambridgeshire ALT schools.

Behaviour Curriculum Update

Zones of Regulation Lesson 1: we learnt about **regulation**.

Zones of Regulation Lesson 2: we were introduced to the **Zones**.

Try the zones scavenger hunt with your child at home.

Use these resources each week to further reinforce learning and over time, equip your child with the tools to identify & manage their emotions more effectively.

FOES AGM

PARENTS AND CARERS

FOES NEED YOU!

FOES is made up of a small group of parents, who fundraise throughout the year to raise money to provide extra resources for our wonderful children at Earith Primary School. We need more volunteers to ensure we can continue to support the school. Join us at our AGM on Thursday 25th September, 6pm - 7:30pm at school to say hi, and to find out how you can help. We are a friendly bunch and have lots of fun, and volunteering gives you a warm fuzzy feeling. Come along and see for yourself!

After School Clubs

As you will be aware by now, our after school club numbers are always up and down. We know just how much our children already do outside of school, but we'll always try and offer a club where we can and there is demand. Only a couple signed up for Boxercise so it couldn't go ahead. Maybe we need to try something new? YDP will trial bowls next week. Interested? See [HERE](#)

Learning Highlights of the Week

Bryon Highlights:

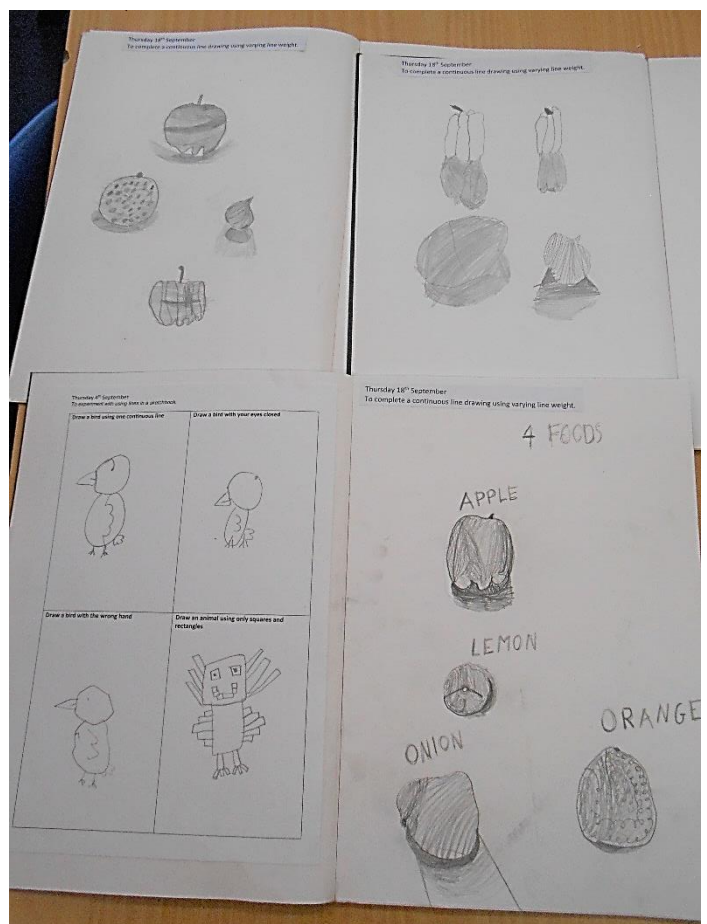

In Bryon Class this week, we have begun to learn how to *subitise*—that is, to recognise how many items there are without needing to count. The children have become increasingly confident in describing dot patterns, identifying how many dots they can see, and discussing the arrangements of the dots. They have also recreated these patterns using stickers and paints.

Yarlett Highlights:

Yarlett Class have been developing their vocabulary across the curriculum this week. In English, we collected and described autumnal objects, using some super adjectives such as 'tickly', 'spiky', 'smooth' and even a simile 'orange like fire!' Later in the week, in science, we explored our sense of touch further with a feely box of objects from around the classroom. It was also lovely to hear so many children in Yarlett Class partaking confidently in our first KS1 debating assembly of the year.

Blabey Highlights:

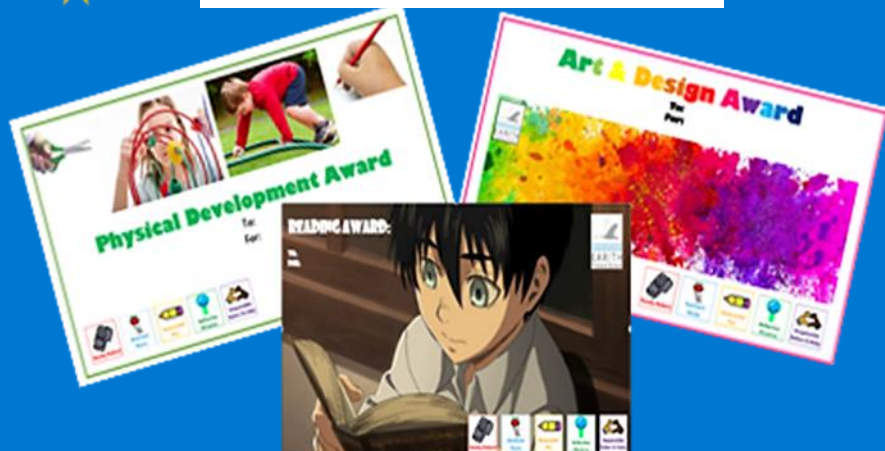

In Blabey Class this week, we have been learning all about digital communication, culminating in the children sending their first ever emails! We have learned how to attach documents and send an email to our peers, and discussed the importance of online safety and digital responsibility. This week, we have also learned about the nervous system and how our brains work with the rest of our body, and sketched still life using one continuous line.

Morpurgo Highlights:

This week in Art, Morpurgo Class were introduced to the artist, Leonardo da Vinci. As part of our learning of the **Renaissance period**, children explored how this era marked a new and exciting style in art. Inspired by Da Vinci's famous sketches, the children practised drawing hands, paying close attention to proportion and form. They experimented with **shading techniques** to add depth, definition, and character to their work. The results were impressive!
