Head Teacher: Mr T Abbs

22nd May 2025

Dear Parents,

By now, you may be aware that each year, a significant amount of time is spent considering potential models for the following year's classes. Multiple factors are considered and include, albeit not limited to: size of class; level of need; sequencing of the curriculum; teachers and environmental. After careful analysis, we will operate the following year groups/classes with the following teachers in Academic Year.2025/2026.

Year R: Mrs Nicholls
Year 1/2: Mrs Barber
Year 3/4: Mr Newman
Year 5/6: Mrs Matthews

You may have also seen our staffing update letter and are aware of members of the Team who leave us at the end of the year. We are in the process of recruiting additional Teaching Assistants to join the team. When our complement of support staff is known it is then that the process, as above, starts again. We are incredibly lucky to have support staff with so many skills and expertise in multiple areas so their deployment across classes is also strategically considered in order to provide an equitable offer and further support the safe and smooth running of our school.

I am acutely aware that class structure will have been on many of your minds so I hope this transparency provides greater reassurance that it has also been on ours.

In the meantime, thank you for your continued support.

Yours sincerely,

Mr Abbs
Head Teacher
