

09<sup>th</sup> September 2024

### **Abbey College Open Evening – Thursday 3<sup>rd</sup> October 2024**

Dear Parents/Carers,

I would like to invite you to our Year 6 Open Evening on Thursday 3<sup>rd</sup> October from 4.30pm until 7.30pm.

Our Headteacher, Mr Christoforou, will be holding presentations for parents and prospective students at 4.45pm and 6.00pm. I warmly invite you to attend either one of the two talks, after which you will have the opportunity to take a tour of the school.

We ask that you book the presentation you wish to attend [here](#).

- 4.45pm presentation
- 6.00pm presentation
- 4.30 – 7.00pm tours of the school only

If you are unable to make either presentation we will be holding a Q&A session at 7.15pm and senior leaders will be available throughout the evening to answer any questions you may have.

On the tour you will be able to see our wide variety of subject areas, take part in hands on exciting science experiments, experience fitness testing and listen to fantastic live music from our students. Our amazing team of teachers, governors and students will also be available throughout the evening to answer all your questions.

At Abbey College, we are proud to be at the heart of our community and provide an excellent education for all of our students. Our last Ofsted inspection stated *“Pupils are actively involved in the wider community. Pupils gain resilience and confidence. They talk with pride about the additional skills they learn that prepare them well for their adult lives.”*

We look forward to meeting with you on the 3<sup>rd</sup> October to show you how Abbey College could be a part of your child’s future and how you can be a part of our vision to provide the best education experience for all in the community.

Yours faithfully,

**Siobhan Dowd**  
Assistant Headteacher
