Dear Parents,

We are excited to announce that we have moved our MIS (Management Information System) to Arbor – some of you may be familiar with this. Many secondary schools use it, too.

**Parent Mail is no longer in use.**

We have partially set up your new account for you. **Download the Arbor Parent App and click on *Forgotten password*** to finish setting it up. **Your username is the email address we've sent this email to.**

Signing up for Arbor will allow us to communicate with you more efficiently and bring core school data into one system e.g **meals\***, **House Points**, **payments**, **attendance**, **personal info/contacts etc.** **Parent Mail is no longer in use.**

\*Please note: you are unable to select meal choices at present. We are hoping for this to be rectified soon.

**FYI: Your children are excited about you joining Arbor, too!** They can't wait to be awarded House Points in class, knowing that you are going to be notified electronically at home/work. Wonderful.

Further information and help videos to support you are [HERE](#)

Please carefully check your child's profile (by clicking on their photo), updating key information as appropriate.

Please continue to use our website app to experience key messages, updates, school/class calendar, newsletter, Sid etc...

If you have any queries, please contact the school office.

Yours sincerely,

Mr Abbs
