Additional info:

Basketball is the perfect sport for developing spatial awareness and communication. Basketball improves throwing, catching, running and jumping – all fundamental skills which can be applied through a range of sports.

Through a range of games, challenges and matches, each child will get to experience the many aspects of this fantastic team sport.

Book now for an extracurricular club they will never forget.

Very happy with my daughter's basketball classes, I love the treatment she receives from the staff and well, if my daughter is happy, her mother is too.
