1<sup>st</sup> July 2025

Dear Parents

As part of the Year 5/6 Design and Technology curriculum, children will be taking part in an upcycling project on **Tuesday 8th July**. This will involve transforming a plain T-shirt into something new and creative, while developing a range of practical skills.

This activity supports and complements the ***design, make and evaluate*** elements of the DT curriculum, giving pupils the opportunity to:

- Practise **sewing, shaping and finishing techniques**
- Select and use a **range of materials**
- Consider the **functional and aesthetic qualities** of the materials they work with

In preparation, we kindly ask each child to bring in:

- **An old, plain T-shirt** (ideally, light-coloured and without heavy prints or logos)
- The T-shirt should be brought in a named bag by **Monday 7th July**.

Thank you for your continued support.

Kind regards

**Mrs Matthews**  
**Rauf Class**
