Golden Relocation Day! (Year 6 Enterprise)

Dear Parents & Community Members,

We are trying to raise funds to support some final enrichment activities and create some everlasting memories – will you sponsor us?

On **Thursday 6th June**, Gold class will receive **all their lessons for the day, in the Woodlands**, in an outdoor classroom, constructed of old dining tables and chairs!

From **registration until the end of the day**, we will be outside, **whatever the weather. This includes our teachers!**

We will only go inside the building if we need the toilet (we thought spades was a step too far!); or to collect our lunch, before returning to the wild!

We will venture out onto the field at lunchtime where we will attempt a **15 minute, non-stop, Gold Class conga**, trying not to break the chain!

Our friends in Year 5 have kindly said they would like to get sponsors and support us with our fundraising efforts, too. Thank You so much, Year 5.

Hopefully, this gives you enough background information, should we, or our parents **approach any of you with a form asking for sponsorship.**

If you do not wish to sponsor one of us directly, but wish to **make a general cash contribution (every penny counts)** to the year 6 pot, you can also do so at the school office.

Further information will be available to Year 6 parents nearer the time.

Whether you are able to support or not, thank you for taking the time in reading our letter and in all the support you have offered us over the years.

Yours faithfully,

Year 6
