

Getting Ready for Change – Health Questionnaire - Year 6

Local NHS clinicians have created an online health questionnaire that can be your 'Getting Ready for Change' checklist and help you to understand the health of your child as they move from primary school to secondary school (Year 7). This invitation goes out to parents or carers living in Cambridgeshire or Peterborough who have a child aged 10-11 years.

It covers lots of points from hearing and eyesight through to emotional health and behaviour. You can complete it on your mobile device or laptop. After answering just seven questions a summary report will be produced for you with links to helpful information and support.

You can access the questionnaire by using this link:

Synopsis for website

Getting Ready for Change – Year 6

To help families as their children transition (change) to the next educational stage, from primary to secondary school, local NHS clinicians have created an online health questionnaire that can be your 'Getting Ready for Change' checklist. This is for all children who will be moving to Year 7. It covers lots of points from hearing and eyesight through to emotional health and behaviour.

It is a digital platform that you can complete on your mobile device or laptop. After answering just seven questions a summary report will be produced for you with links to approved information and support.

You can access the questionnaire by using this link:
<https://portal.cambspborocyphs.nhs.uk/GRfC/Year6>

If you have any questions, you can contact the Cambridgeshire and Peterborough Healthy Child Programme. Call on 0300 029 50 50 or text 07520 649 887

Please note - the questionnaire is secure and NHS protected
