Phonics Information Session

Dear Parents,

Here at Earith Primary School, we recognise the importance of developing effective early reading skills, resulting in children having a life-long love of reading.

We will be hosting a short information session in the main **Assembly Hall** on **Tuesday 4th March 2.45-3.15** (just before normal pick-up time).

This will be an opportunity for us to talk to you about:

- How we teach phonics
- How you can help at home
- The forthcoming Year 1 *Phonics Screening Check*

If you wish to attend, please **call the school office and let us know who will be attending**, no later than **11am on Friday 28th February**.

In the meantime, the link below will take you to the parents' section of the *Little Wandle* website (the phonics programme we follow). Here you will find further/supportive information on what your child will be taught and when and how you can support them at home.

If I can be of further assistance, please do not hesitate in reaching out. Many thanks for your continued support.
