We're all together you and me

People here from overseas

So many different countries

England – fish and chips and peas

Greece – it's Feta cheese, yes please

France – it's grapes and bread and wine

Hungary – Langos fried so fine

Indian curries burst with spice

Chinese chicken, egg fried rice

Polish pierogi, gherkins galore

German pretzels, sausage, more!

Japanese mochi, sushi too

South African Appletiser - it's true

We celebrate diversity

We're all together you and me

People here from overseas

So many different countries

Scotland – bagpipes, bellow and blast

Ireland – folk dance free and fast

Indian Saris – silky, smooth

Spanish flamenco dresses move

Canada – hockey on the ice

Wales – the choirs sound so nice

Invented in Earith our claim to fame!
