ALL ABOUT ME

Earith Primary School

Earith Primary School

This booklet is for you to encourage your child to think about what they like, what they enjoy doing and who their friends are. Please read this with your child and help them to think of their answers.

You will probably need to write your child's answer, but could you encourage your child to draw a picture of their answer, such as their favourite toy, animal or food.

This booklet will be kept at school as the start of your child's school journey.

Please explain that we will enjoy looking at their booklet at school, and it will help us to get to know a little about your child before they start school.

THIS IS ME

I am.....

I am..... years old.

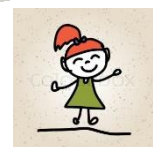

I live with.....

.....

The language I speak at home is:.....

Please draw a picture
This is my family

In my house is.....
