Nursery Charges for Additional Sessions over the funded 15 hours

All 3 and 4 year old children have an entitlement to 15 hours funded entitlement and this entitlement must always be completely free at the point of delivery. A parental agreement will be required in relation to the funded 15 hours provision.

Additional sessions over the 15 hours per week entitlement may be available but this is dependent upon the number of children who are attending for funded sessions and to whom priority will be given. Sessions will consist of 3 hours and will be charged at £12 per session. The parental agreement should include details of the additional chargeable sessions which will only be guaranteed for the duration of 1 term with the agreement being put into place each term to define requirements, again dependent upon availability.
