Hello

Olá

Bonjour

Hola

Hallo

Hello

- Eastbury Primary school is a large multilingual and multicultural primary school.
- In our school majority of children and staff are bilingual or multilingual and we all bring a piece of different culture from all around the world.

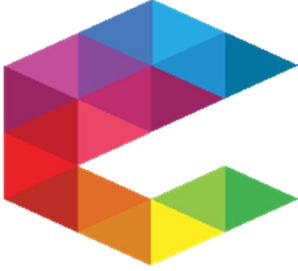

- Our school is the first step into an education system for many children.
- To them and their families, we are a significant part of their new beginning in a new country and their new life - new language, new culture, new curriculum.
- Our EAL children come from a range of cultural, religious, national and linguistic backgrounds and a very large percentage is New to English children.

- At Eastbury, we understand the needs of children with EAL and we use different strategies to support them with learning and developing the English language and at the same time ensuring access to all curriculum subjects, Math, Science, Geography, History, PSHE, DT and Art, Computing and PE.

- We have a very thorough Induction procedure which is welcoming and supporting all children with EAL who are New arrivals to the country.
- Each year we have a great number of new children in the school.
- More than 90% of **all children new to Eastbury** are speaking English as an additional language.
- Between 35-55% of the EAL children are New to English and New to the country. This number vary each year.

THE MILLION WORD GAP

New research shows the different numbers of words kids will have heard by age 5 based on how often parents read to them:

Never read to: 4,662 words

1-2 times per week: 63,570 words

3-5 times per week: 169,520 words

Daily: 296,660 words

Five books a day: 1,483,300 words

speechblubs.com

5 years-old children learning words:

If parents never read to - 4 662 words

If parents read 1-2 times/week – 63570 words

Read 3-5 times per week – 169 520 words

Read every day – 296 660 words

Read 5 books every day – 1 483 300 words

Welcome to our Phonics Page

PHONICS AND EARLY READING OFFER

Our Intent

Our intention is that all children, regardless of their background and starting point, become fluent pupils learn to read and write effectively and quickly using the Read Write Inc. Phonics program. Write Inc. Literacy and Language. Read Write Inc. Phonics closely matches the expectations of the early learning goal, teaching children to read accurately and fluently. They learn to form each letter and compose their ideas step-by-step.

We believe that building strong foundations is key to a good curriculum, and this is particularly important for those who are passionate about phonics and begin teaching phonics in the early years. This then gives the child the opportunity of achieving the early learning goal by the end of reception, passing the phonics screening check in year 1, becoming proficient and effortless readers by the end of year 2. We firmly believe that this will allow them to progress in the wider curriculum, key stage 2 and beyond.

We believe that parental involvement is important to a child's education, and therefore work hard to support their child's reading journey. We hold workshops regularly to show how they can help their child with reading. We provide home materials via Clasdojo for parents to use in order to support their child with reading.

The Read Write Inc Phonics curriculum will teach children to:

- Apply the skill of blending phonemes to read words.
- Segment words in their constituent phonemes in order to spell words.
- Learn that blending and segmenting words are reversible processes
- Read high frequency words that do not conform to regular phonic patterns.
- Read texts and words that are within their phonic capabilities as early as possible.
- Spell effortlessly so that all their resources can be directed towards composing their writing.

How the Read Write Inc. Phonics?

How to help your child...

Learn and practise Reading:

- *read to your children in your language and in English
- * they can practice reading the same book a few times a day and for a few day
- *if they do not understand the books – help them with questions, clarifying vocabulary and talking about the pictures and real-life experiences

What do you think will happen next?

How do you think this character is feeling? Why? Have you ever felt like him before?

What do you think this character is thinking? Why?

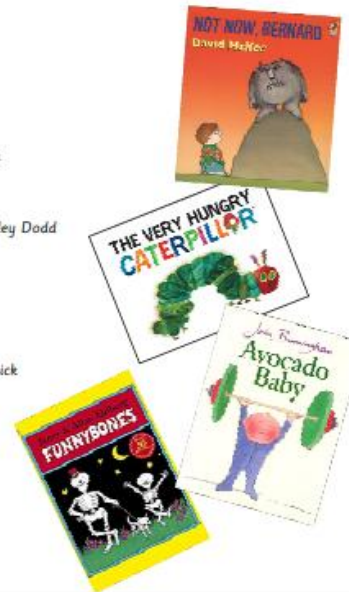

Reading with your child in Year 1

Some questions to ask your child whilst reading together:

1. Look at the front cover. What could the book be about?
2. Who is the author?
3. What is an illustrator? What do they do?
4. What does that word mean? Read the words around it to help you figure it out.
5. How can you read an unfamiliar word? Can you sound talk and then blend?
6. Who are the main characters?
7. What do you think will happen next?
8. How do you think the character feels? Why? How would you feel in that situation?
9. Can you predict how the book will end?
10. Who is your favourite character? Why?
11. Can you retell the story in your own words?

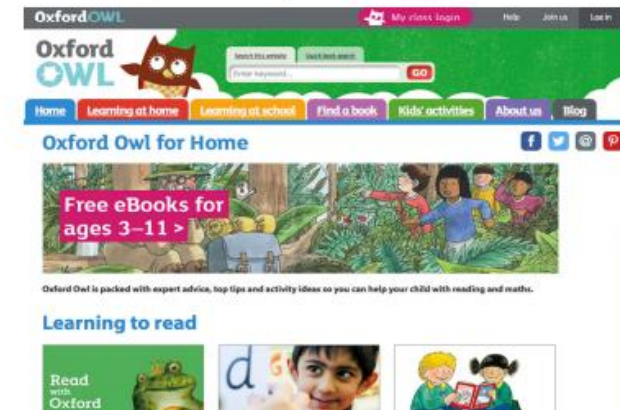

Year 1 Recommended Reading List

The Very Hungry Caterpillar – Eric Carle
We're Going on A Bear Hunt – Michael Rosen
Lullabyhullaba – Mick Inkpen
Peace at Last – Jill Murphy
Funny Bones – Allan Ahlberg
Cops and Robbers – Allan Ahlberg
The Gruffalo – Julia Donaldson
The Smartest Giant in Town – Julia Donaldson
The Paper Dolls – Julia Donaldson
A Bear Called Paddington – Michael Bond
Hairy Maclary from Donaldson's Dairy by Lynley Dodd
Owl Babies – Martin Waddell
A Kitten Called Moonlight – Martin Waddell
The Emperor of Absurdia – Chris Riddell
Mister Magnolia – Quentin Blake
Mrs Armitage on Wheels – Quentin Blake
Katie Morag's Island Stories by Mairi Hedderwick
My Friend Bear – Jez Alborough
Avocado Baby – John Burningham
The Tiger who came to Tea – Judith Kerr
Meg and Mog – Helen Nichol
Not Now Bernard – David McKee
A Dark, Dark Tale – Ruth Brown
Dogger – Shirley Hughes
The Trouble with Jack – Shirley Hughes
I Want My Hat Back – Jon Klassen

Useful website to help support your child's reading:

<https://www.oxfordowl.co.uk/for-home>

The above website has free eBooks. All you need to is register for free to access all the wonderful reading materials.

Welcome to our English Page

This area of our website has been designed to help and support both pupils and parents with the learning of English across the school. There are currently a number of links attached for pupils to access at home, along with some parent support materials for added support.

Pupils are currently taught phonics using the RWI Phonics Scheme and progress to the Literacy and Language Programme from Year 2.

Reading Eggs is a paid service that the school subscribe to for Years 3 – 6 in order to support our children's Reading, Writing and Grammar. If you do not have your child's user name and password, please speak to their class teacher and they can provide you with it.

Learn and practise Maths

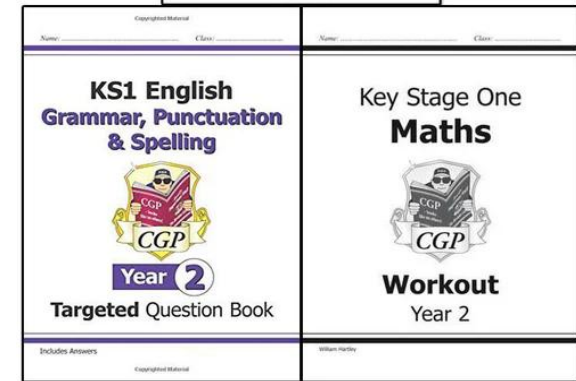

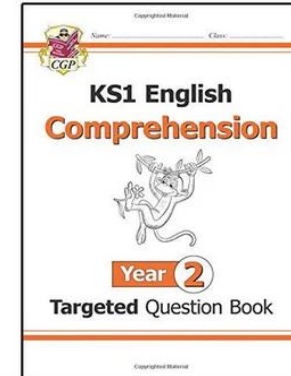

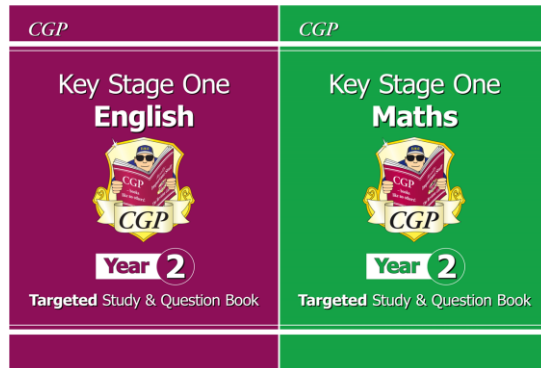

learn concepts and Maths skills from short videos on youtube.com

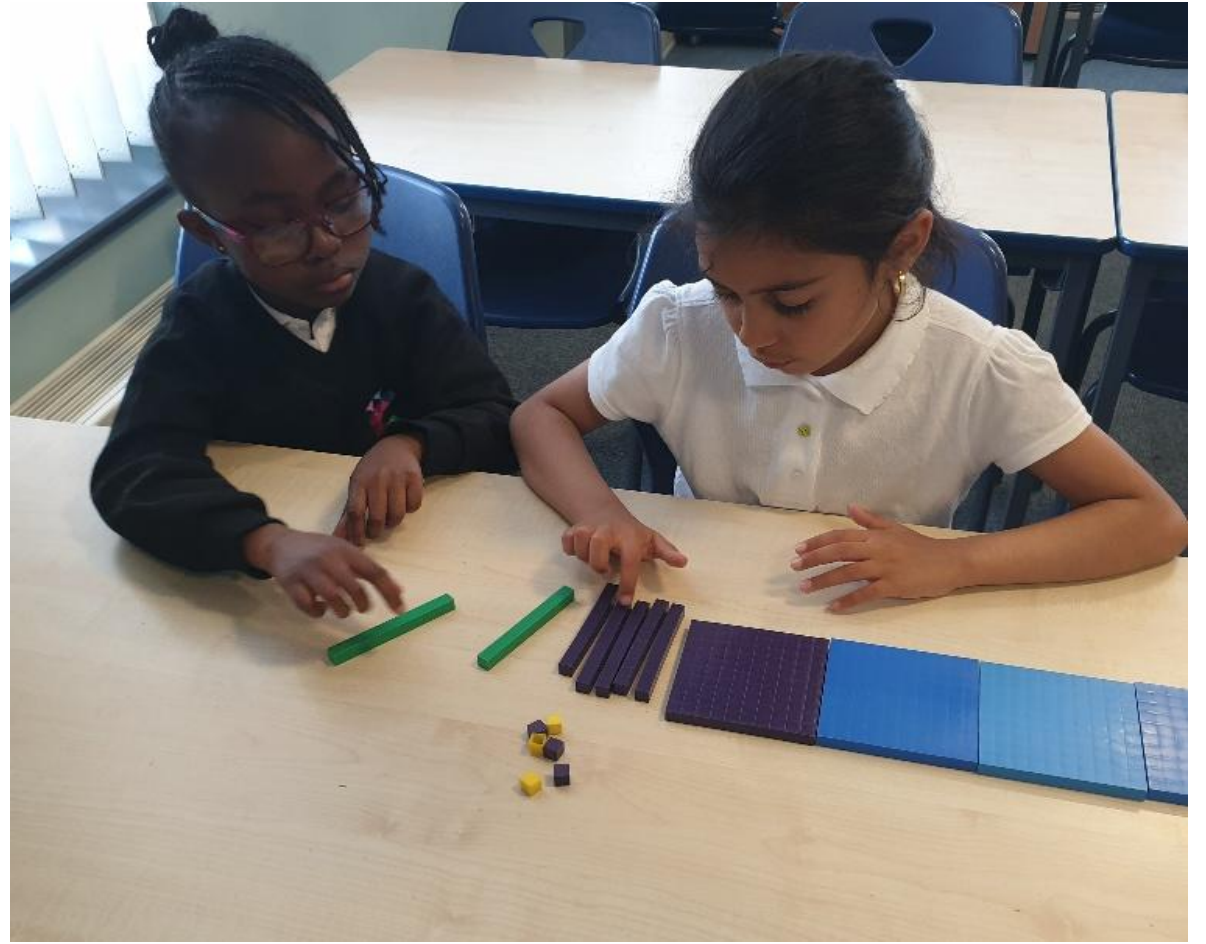

It is important to practice regularly every week:

- complete the homework,
- use CGP books,
- write basic calculations on paper,
- teach 7 years olds+ to understand the time and how the watch works,
- talk about money and how giving change works

KS1 SATS YEAR 2

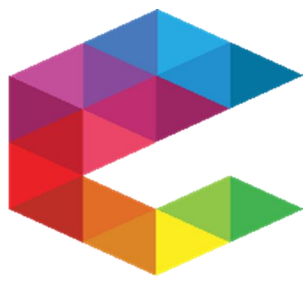

Important topics for 7-9 years olds

- Number bonds to 10, 100 <https://www.youtube.com/watch?v=HeByD-iW7GQ&t=15s>
- counting in 2s, 5s, 10s, 3s
- counting to 100 and backwards
- ensure to correct when children say -teen numbers but really mean -ty numbers (17 and 70)
- explain Maths vocabulary – **add, more, altogether, subtract, take-away, less, difference, greater than, less than, odd, even** – if unsure – ask for more your class teacher, go on youtube and watch videos for Maths vocab for children
- 2D and 3D shapes https://www.youtube.com/watch?v=gk_u1xr7jQg
- basic fractions, halves and doubles
- Days of the week, months of the year, seasons, parts of the day – **morning, lunchtime, noon, afternoon, evening, night**

Important topics for 8-11 years olds

- Adding and subtracting 2-digits and 3-digits numbers using column method with exchanging
- Bus method division
- Learn and practice times tables to 12, multiplication and division
- Embed inverse operations to find a missing number
- Understand place value (the numbers value/place) for 10 000 – 1 000 000
- Understand decimal fractions 4.1, 4.2, 4.3, 4.03, 4.05, 4.006
- ensure to correct when children say -teen numbers but really mean -ty numbers (17 and 70)
- explain Maths vocabulary – **add, more, altogether, subtract, take-away, less, difference, greater than, less than, odd, even, multiply, divide, group, share, product, column method, exchanging, carrying, partitioning, roman numerals**
- 2D and 3D shapes https://www.youtube.com/watch?v=gk_u1xr7jQg names and key vocabulary
- Fractions and decimal fractions

Handwriting, number and letter formation practice

Support your children at home with letter and number formation skills. Encourage your children to hold a pen or a pencil from early age and have some fun activities at home so that they strengthen the muscles and have pencil control by the time they start school.

Dot-to-dot activities, colouring pages, and tracing exercises can help children develop the necessary fine motor skills and hand-eye coordination while reinforcing the correct grip.

Class Dojo and Eastbury's life

Stay connected with Class teachers and always informed about our busy school life. Check for messages and achievement points every day. You will never forget important dates again – Class Dojo will send you reminders about trips, activities, non-uniform days, assemblies, parents' evenings and fairs. Class Dojo translates to your language – stay connected!

The screenshot shows the Class Dojo app interface for Eastbury Primary School. The top navigation bar includes 'Story', 'Calendar', 'Messages', 'School wide points' (marked as NEW), 'Directory', 'Schoolwide Centre', 'Insights', and 'Classes'. The main content area features a 'Try 2-step verification' prompt, a post from Miss Abwooli about 'What's happening at Eastbury Primary School?' with options for 'Photos/Videos', 'Events', and 'File', and a large 'BLACK HISTORY MONTH' banner. An 'Upcoming Events' section lists: '3 Oct THURSDAY - SCHOOL EVENT EAL parents Coffee Afternoon Chat 14:00 - 15:00', '13 Nov WEDNESDAY - SCHOOL EVENT Parents Evening Reception to Y6 15:40 - 18:00', and '14 Nov THURSDAY - SCHOOL EVENT Parents Evening Reception to Y6 15:40 - 18:00'. A 'Reach all families' section shows '1115 parents connected' and a 'View students in directory' button.

Key Dates

September

- Tues 3rd: Children return to school
- Thur 26th: Languages Day (Non-uniform)

October

- Black History Month
- Wed 23rd: Year 3 Diwali Assembly
- Wed 23rd: Last day of term

November

- Mon 4th: First day of term
- Wed 6th: Reception School Tour
- Wed 13th: Reception School Tour
- Wed 13th: Parents Evening
- Thurs 14th: Parents Evening
- Wed 20th: Reception School Tour
- Wed 27th: Reception School Tour

October

- Fri 18th: Non-uniform day

November

- Fri 15th: Children in Need
- Fri 22nd: Non-uniform day

Attendance and Lateness

Morning

gates open at **8:45am** and close at **8:55am**

Afternoon

gates open at **3:00pm** and close at **3:30pm**

You may be sent a letter from the Council to pay a **penalty** for travelling out of the normal half-term break dates and the summer holidays dates.

Every day in school counts! Early Holidays and late start after the holidays interrupts your child's learning and it will be difficult to catch up with their peers. Check school calendars on the website to book your holidays in advance.

Coming late in the morning is also a huge barrier to learning. Phonics and reading lessons start at 9:00am prompt. If your child is late every day (even if it is only 5-10 minutes), they would miss important parts of the lessons.
