Introduction

Volunteers bring with them a range of skills and experience which can enhance the learning opportunities of all pupils in the academy. Participation of adults in academy activities, on a voluntary basis, helps the academy develop active parental and community links and is therefore welcomed and encouraged by the Governing Body.

The relationship between the academy and volunteers does not imply a contract of employment and is entirely, voluntary. There are no contractual obligations on the volunteer or on the academy.

A volunteer is anyone who without compensation or expectation of compensation performs a task at the direction of the Principal.

Our Volunteers include:

- Members of the Governing Body
- Parents of pupils
- Ex-pupils
- Students on work experience
- University students
- Ex-members of staff
- Local residents
- Friends of the school

The types of activities that Volunteers are engaged include:

- Hearing children read
- Working with small groups of children in the classroom
- Working alongside individual children in the classroom
- Undertaking art & craft activities with children
- Supporting with after-school clubs
- Accompanying school visits

The school is committed to safeguarding and promoting the welfare of children and young people and expects all employees, volunteers and visitors to share this commitment.

Scope

This policy and procedure apply to all volunteers in the academy, unless stated otherwise.

Aims

To provide a framework for the recruitment of volunteers in line with safeguarding requirements.

To establish expectations for both employees and volunteers regarding the activities undertaken by volunteers and their conduct whilst in the academy and on academy trips.

Appointment Process

Becoming a Volunteer

The academy has a responsibility to ensure the safety and welfare of the pupils and therefore, will recruit volunteers in line with the DfE statutory guidance, 'Keeping Children Safe in Education' (Sept 2022).

Anyone wishing to become a volunteer, either for a one off event such as a school visit or on a more regular basis, e.g. hearing children read, usually approaches the Principal or School Business Manager directly.

Volunteers should complete the *Volunteer Application Form* (found on the Academy's website or got from the Academy's main office), with their contact details, type of activities they would like to help with, and the times they are available to help.

Before starting to help in school, volunteers should complete the *Volunteer Agreement* (Appendix B), which sets out the school's expectations of volunteers and asks Volunteers to confirm they have received a copy of this policy.

Before a volunteer commences the Principal must determine if the role requires the volunteer to have a DBS check. If it is determined that a check is required volunteering should not start until the outcome is known. See Appendix A for guidance.

Volunteers who regularly carry out activities in the academy's nursery and/or reception classes or regularly carry out activities out of academy hours (eg breakfast clubs or after school clubs) with children who have not attained the age of 8 will be required to complete a childcare disqualification self-declaration in line with the Childcare Disqualification regulations This applies whether the volunteer is supervised or not.

The academy must carry out identity checks before volunteers commence any activities, this must also include a 'right to work' check to ensure that individuals have the right to volunteer in the UK. *There should not be a problem with accepting someone from outside the UK as a volunteer but individuals must ensure that immigration rules allow them to do so because they could jeopardise their immigration status. If in doubt, they should contact UK Visas and Immigration (previously UK Border Agency).*

Prior to a regular placement all volunteers will be required to attend an induction with a trained member of staff or member of the leadership team. This will provide an opportunity for volunteers to ask any questions they may have and for expectations and guidelines, as covered in this policy, to be explained and documents issued (eg copies of relevant policies).

Volunteers are made aware of academy policies that may be applicable to them including, Safeguarding/Child Protection, Social Networking/IT Policy, Whistleblowing, Code of Conduct, Health and Safety / Dress Code.

An entry will be made on the academy's single central record with the confidential details of the safeguarding checks carried out.

Where a volunteer is engaged in a 'one-off' activity (eg an academy trip) and they will be under the constant supervision of academy staff no formal checks will be required.

Volunteers will be asked to sign a Volunteer Agreement including confidentiality requirements. See Appendix B 'In-Academy Volunteer Agreement' and Appendix C 'Off Site Visits Volunteer Agreement'.

The Recruitment and Selection Policy should also be referred to for further guidance on the recruitment of volunteers and safer recruitment practices.

Volunteer Procedures/Expectations

Our School Vision

All adults who work in our school, whether a paid member of staff or a volunteer, are expected to work and behave in such a way as to actively promote our school vision.

This vision is underpinned by the following aims and values.

Aims and Values

- We will respect our children's individuality, encourage creativity and assist them to make the most of their abilities.
- We want our pupils to leave us as well educated, self-confident and caring members of society.
- We will endeavour to promote equality of opportunity for all of our children irrespective of gender, race, creed, ability or disability.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that Volunteers have about the children they work with / come into contact with should be voiced with the Class Teacher and **NOT with the parents** of the child /persons outside school.

Comments regarding children's behaviour or learning can be highly sensitive, and if taken out of context, can cause distress to the parents of a child if they hear about such issues through a third party rather than directly from the school. Volunteers

who are concerned about anything another adult in the school does or says should raise the matter with the Principal or Vice Principal.

Attendance

Volunteers must sign in and out at the academy office and wear a visitor's badge each time they are on academy premises.

If a volunteer is unable to come into the academy for some reason then it is requested that they call the academy office in advance of the time they would normally arrive to enable the class teacher to be informed that they are unable to attend. As volunteering is flexible it may be possible to suggest an alternative time for the volunteer to come into the academy.

Supervision

All volunteers work under the supervision of the class teacher **who retains responsibility for pupils at all times**, including their behaviour and the activity they are undertaking. The class teacher should give clear guidance as to how an activity is to be carried out and the expected outcome. If there is any problem regarding the pupil's understanding of the task, behaviour or welfare volunteers must seek further guidance from the class teacher.

Health & Safety

The school has a Health & Safety Policy and a copy is shared with volunteers.

Class Teachers ensure that Volunteers are clear about emergency procedures (e.g. fire alarm evacuation) and about any safety aspects associated with a particular task (e.g. using DT equipment / accompanying children on visits).

Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the Class Teacher / Principal.

Child Protection

The welfare of our children is paramount. To ensure the safety of our children, we adopt the following procedures:

- All Volunteers are given a copy of the Volunteer Policy and asked to sign a *Volunteer Agreement* (Appendix B)
- To ensure the safety of our pupils at all times, all of our regular Volunteers must, be cleared by the Disclosure Baring Service (DBS). A certificate will be issued to the individual to produce in school. A long-term volunteer will not be allowed to participate until this process is complete.
- Where a Volunteer is engaged in a 'one-off' activity e.g. helping supervise a group of children as part of a class visit, DBS clearance is not necessary. However, these volunteers must produce evidence of identity, read and sign our *volunteer temporary risk assessment* (Appendix C) and be kept under constant supervision of school staff.
- Volunteers are given training in safeguarding/Child Protection Procedures – e.g. what to do in the event of a disclosure or concern.

Volunteers must raise any concerns they have about the pupils they work with to the class teacher/designated safeguarding lead and not with the parents of the child or any other person outside of the academy.

If a volunteer is concerned about anything in the academy that may, affect their role they should raise the matter with the class teacher or appropriate member of the leadership team.

Volunteers engaged in a 'one-off' activity (eg an academy trip) will be expected to stay with the allocated staff member, promote respectful behaviour towards each other and members of the public and inform the staff member of any first aid, behaviour or other issues. Volunteers will not be allowed to bring additional children on the academy trip, smoke, drink alcohol, take photographs of the pupils or engage in any other activities, which could bring the academy into disrepute.

Data Protection

The access volunteers have to sensitive and confidential pupil information should be limited to what is necessary and appropriate to the task being undertaken. Volunteers must be made aware of any information handling procedures appropriate to their role to ensure that lack of knowledge does not result in an information security risk.

Concerns/Issues

If there are concerns about the performance or conduct of a volunteer a meeting will be held between the volunteer and the class teacher, and/or the Principal, where the concerns will be explained. This meeting may result in the situation being reviewed after a set period of time, the volunteer being suspended or, if the concerns are serious, the academy may cease the volunteer arrangement without notice.

Any allegations of abuse made against a volunteer will be dealt with very quickly, in a way that provides effective protection for the pupil and also supports the person who is the subject of the allegation. Allegation procedures will be followed.

If the academy ends a volunteer arrangement because of inappropriate behaviour or safeguarding issues relating to children the academy has a duty to refer this to the Disclosure and Barring Service in certain circumstances.

Equality Statement

This Policy applies to all volunteers irrespective of age, disability, gender status, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation.

Monitoring and Review

This Policy has been put together by the academy. It will be reviewed every two years and updated in the light of new guidance from either the DfE.

Dated: September 2022

Disclosure and Barring Service checks and barred list checks

The DfE has published separate statutory guidance on supervision and regulated activity which academies should have regard to when considering which checks should be undertaken on volunteers.

An enhanced DBS certificate, including barred list information, will be required for any staff in the academy engaged in regulated activity, in the case of volunteers the following applies -

Volunteers who regularly carry out activities with pupils on an unsupervised basis are engaged in regulated activity therefore an enhanced DBS check, including barred list information, must be carried out.

Volunteers who are supervised* while regularly carrying out activities with pupils are not in regulated activity but as they have the opportunity to come into contact with children on regular basis the academy may obtain an enhanced DBS check, not including barred list information.

Employers are not legally permitted to request barred list information on a volunteer who, because they are supervised, is not in regulated activity.

Some activities will always be regulated activities regardless of frequency or if they are supervised or not, these include relevant personal care which includes helping a child (due to age, illness or disability) with eating or drinking, in connection with toileting, washing, bathing and dressing.

To qualify for a free of charge DBS the applicant must not benefit directly from the position the DBS application is being submitted for, ie they must be doing something which aims to benefit a third party (not a close relative) and not for their own personal gain.

* The person who is supervising must be in regulated activity, supervision must be regularly day-to-day and 'reasonable in all the circumstances to ensure the protection of children'.
