1. Aims

The Enquire Learning Trust aims to meet its obligations with regards to school attendance by:

- emphasising that it is the responsibility of everyone in the Academy to improve attendance and punctuality.
- ensuring that all pupils access a full-time education which meets their needs and allows all to realise their potential.
- striving to provide a safe and caring environment where each child can engage in all opportunities offered.
- working with children and their families to ensure every child has good attendance and punctuality.
- challenging the behaviour of those children and parents/carers who give a low priority to attendance and punctuality.
- providing an effective system of communication with parents/carers together with appropriate agencies to provide mutual information and support.
- developing IT-based attendance recording systems in order to provide accurate information and to use suitable tracking strategies to recognise any trends that can damage good attendance and learning.

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly and will promote and support punctuality in attending lessons.

Our Academy

What you can expect from Easterside Academy:

- We will promote good attendance and punctuality and will investigate any unexplained and/or unjustified absence.
- We will work closely with parents/carers where child's absence is cause for concern.
- We will support children to achieve good attendance and punctuality.
- We will support children returning to school after prolonged absence.

What Easterside Academy expects from Children:

- To attend regularly and on time
- To be punctual to all lessons
- To ensure that they register for all timetabled lessons and inform the Office where appropriate if they are not able to be registered.
- To ensure all messages and notes from parents/carers are taken to the appropriate place.

What Easterside Academy expects from Parents/Carers:

- To ensure their child attends the academy on those days it is open, dressed in full uniform and equipped to learn.
- To ensure their child attends every day the Academy is open unless they are too ill to do so.
- To avoid keeping their child away from the Academy for any reason other than illness or other authorised explanation (see overleaf).
- To avoid arranging holidays during term time
- To immediately inform the Academy Attendance Office / Academy if their child is unable to attend (by 9am where possible), including the reason for absence and expected date of return.
- If no indication of a return date has been given, parents/carers should contact the Academy on each day of absence.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

This policy complies with our funding agreement and articles of association.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.55am on each school day.

The register for the first session will be taken at 9am and will be kept open until 9.25am. The register for the second session will be taken at 1pm and will be kept open until 1.25pm.

3.2 Unplanned absence

Parents must notify the school by telephone on the first day of an unplanned absence and each subsequent day of the absence – for example, if their child is unable to attend due to ill health – by 9am or as soon as practically possible (see also section 6).

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

Where possible we **need** to receive information when the child returns to school from an illness, in the form of any medical evidence such as prescription, appointment card etc.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this decision.

Late submissions of leave of absence forms/or leave of absence taken without schools prior knowledge and permission may also be subject to penalty notice procedures.

Pupils who have 20 consecutive school days of unauthorised absence may be at risk of losing their school place.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The academy should be notified of these appointments by phone or by calling in at the main school office.

Where a pupil is present for registration but then has to attend an appointment, the Academy staff in the classroom record the fact on their whiteboard for the purpose of emergency evacuation and parents are required to sign the pupil out and school record the reason why. Copy of the appointment cards etc should be provided as good practice. The pupil although registered is not physically present. Similarly the Academy must note the presence of a pupil (again for emergency evacuation) who was not there when the register was being taken but returns later from an appointment parents sign the pupil back into school.

Applications for other types of absence in term time must also be made in advance.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

Repeated lateness will be reported to parents/carers. Repeated lateness after the register has closed may be dealt with in the same way as absence. Parents/carers may be issued with a Penalty Notice or even prosecuted in the Magistrates Court. Authorised/Unauthorised Absence Authorised absence is where the Academy has given approval for absence in advance or where the explanation given afterwards has been accepted as satisfactory justification for the absence. Parents/carers may not authorise absence; only the Academy can do this.

It is Easterside Academy's policy to actively discourage late arrival. A pupil arriving late may seriously disrupt not only his or her continuity of learning but also that of others. In recognition of local circumstances (such as bad weather), we may keep registers open for a reasonable period.

For registration to mean anything at all, a firm line must be taken on late arrivals. To do otherwise undermines the whole purpose of registration and may serve to encourage other pupils to arrive late. Particular attention will be paid to emerging patterns of late arrival.

Where a pupil does arrive late and misses registration, his or her presence on site will still need to be noted. Anyone arriving late must report to the main office. Office staff and the Care/Attendance Team will be there to challenge the lateness. Office staff will amend the child's presence on the electronic register and in the late book.

In responding to lateness, we will of course need to take account of the individual circumstances of each case. In some instances enquires may reveal that the late arrival stems from difficulties at home or other genuinely unavoidable circumstances. The Academy Education Welfare Officer may need to seek an early meeting with parents of pupils who persistently fail to arrive on time without valid reason whilst keeping the academy informed. If the parents do not have any valid reason for the child's persistent lateness the Academy Education Welfare Officer will consult with the SEWO.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

3.6 Reporting to parents

The school will report to parents on their child's attendance record at consultation time in the autumn and spring terms. Parents will then receive a final attendance record for the year in their child's annual report home.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Principals may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

A family holiday during term time is not exceptional circumstances.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Principal's discretion.

Applications for leave of absence in term time need to be submitted to the school office at least 4 school weeks in advance of the leave being taken.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Exclusion
- Exceptional family circumstances e.g. bereavement of close immediate family - to be discussed with the principle.
- Involvement in a public performance
- **Authorisation is at the Principals discretion**
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

Ofsted should not criticise schools for absences of Traveller children, providing the school can demonstrate that it:

- has used the registration codes correctly
- is strategic and proactive in communicating with Traveller parents about their travelling patterns on a regular basis
- is strategic and proactive in ensuring excellent attendance when the children are not travelling
- provides distance learning materials in accordance with good practice
- provides Travelling families with the parent held education record before they travel

- includes specific guidance for Travellers in the school's attendance policy and ensures the policy is accessible to parents
- evaluates its provision for narrowing the gap in attendance for Traveller children in the school self-evaluation form
- evaluates its provision for narrowing achievement gaps for Traveller children in the school self-evaluation form

Holidays

Pupils **will not** be granted authorised absence for holidays during term time unless there is an exceptional circumstance.

Unless authorised due to an exceptional circumstance, any holidays taken will be unauthorised and parents/carers may be subject to legal sanctions.

4.2 Legal sanctions

The ~~school~~ **local authority** can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 per child for each parent where the fine is paid within 21 days, and £120 per child for each parent where the fine is paid between the 21st day and the 28th day. Parents should be aware that this means a family of 2 parents and 2 children will be fined £240 if the fine is paid within 21 days or £480 if the fine is paid from 21-28 days. For families with 3 children, these amounts would be £360/£720.

. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the ~~Principal~~ **local authority following their code of conduct** for issuing penalty notices. This may take into account: A number of unauthorised absences occurring within a rolling academic year

- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

How we respond to Absence/Lateness

	Children have 'Exceptional Attendance'	Termly and yearly certificates. Children who have exceptional attendance will be rewarded with our 'Easterside Experience'.
	Children have attendance above 95%	Children contribute to the weekly attendance award for their class – which leads to special events and rewards. Classes use the 'Roary's Class Acts' programme / incentive in partnership with Middlesbrough Football Club, to promote good attendance at school.
ATTENDANCE FALLS BELOW 95% DUE TO UNAUTHORISED HOLIDAYS, ILLNESS OR UNAUTHORISED ABSENCE		
Step 1	Letter 1 to inform of a low level of attendance.	95% is a start for concern. This letter is to inform and advise. It starts the beginning of a 2 week monitoring period .
Step 2	After 2 weeks of monitoring, attendance has still not improved, and/ or there are additional	Letter 2 explains the reasons given for absence so far, and that this has led to an unacceptable attendance level. If attendance has dropped below 90% your child is now classed as a persistent absentee. It also states that unless there is a

	absences – Letter 2 is sent.	significant improvement, a meeting will be held in school to form an attendance action plan. This is the beginning of a second monitoring period of 2 weeks.
Step 3	First attendance meeting.	If attendance remains below 90%, a meeting is called with the Attendance team. At this meeting, targets are set and an attendance action plan is formed with the family. If the family do not attend, the plan will be made by school and sent home.
Case will be referred to Education Welfare as a record of poor attendance.		
Step 4	Letter to state that sickness must be evidenced.	If a child has attendance below 90% due to an unusual amount of sickness, this letter makes it clear that they will be marked as unauthorised absences unless there is a form of medical evidence. This could be medicine prescribed, a note from the doctor or appointment card.
Step 5	Second attendance meeting	If attendance is still below 90% after the attendance action plan, this meeting is held to make clear what the next steps are, and what letters will be issued after the meeting.
Step 6	First legal warning letter	This letter states that there are serious concerns regarding the child's attendance, and that, unless there is significant improvement the case will be referred to the magistrate for prosecution. This begins the final monitoring period.
Step 7	Final Legal Letter	This letter states that the school has referred the attendance case to the local authority, and that there is to be an intent to prosecute.
Step 8	Court Date	A court date is set. Evidence is filed, and a magistrate makes a decision. At this point, parents are able to present any mitigating circumstances – Including any relevant medical evidence. All parties are informed of the court decision.

5. Strategies for promoting attendance and punctuality

The school promotes good attendance from the moment children start our nursery or reception classes. Our Education Welfare Officer attends the transition meetings and introduces herself to parents and her role from the outset.

In class good attendance is promoted by all staff through the use of 'Roary's Class Acts' – an attendance initiative developed by Middlesbrough Football Club (MFC). The school works in partnership with MFC to promote and reward good attendance using their tag line, '*Every Day Matters*'. Each class has an attendance chart in which pupils keep track of their own attendance. Classes work together towards attendance and punctuality awards in the celebration assembly each week. This includes the 'Beat the Bell' Award for a KS1 and KS2 class that has the best punctuality – they are awarded an extra playtime.

Attendance is also celebrated termly through our 'Easterside Experiences' for 'Exceptional Attendance'. Children receive a certificate, an experience and often have the chance to win other prizes such as tickets for the MFC matches. We also have attendance initiatives such as 'The 12 Days of Christmas Attendance' they are used to promote and encourage excellent attendance.

Marvellous Me is also used to acknowledge positive improvements in punctuality and attendance. This can be used by the class staff or the Principal and Care Team.

We encourage good communication between school and home and encourage parents that are struggling with punctuality or attendance to arrange a meeting early on with a member of the school's Care Team to discuss the issues and see if school can help in any way.

As well as promoting good attendance, Easterside Academy also promotes and encourages good punctuality. School starts promptly at 8.55am. It is Easterside Academy's policy to actively discourage late arrival. KS2 doors open at 8.40am and Early Years/KS1 doors at 8.45am. Pupils are required to be in class and ready to learn by 8.55am.

A pupil arriving late may seriously disrupt not only his or her continuity of learning but also that of others. In recognition of local circumstances (such as bad weather), we may keep registers open for a reasonable period.

For registration to mean anything at all, a firm line must be taken on late arrivals. To do otherwise undermines the whole purpose of registration and may serve to encourage other pupils to arrive late. Particular attention will be paid to emerging patterns of late arrival. Where a pupil does arrive late and misses registration, his or her presence on site will still need to be noted. Anyone arriving late must report to the main office. Office staff and the Care/Attendance Team will be there to challenge the lateness. Office staff will amend the child's presence on the electronic register and in the late book.

In responding to lateness, we will of course need to take account of the individual circumstances of each case. In some instances enquires may reveal that the late arrival stems from difficulties at home or other genuinely unavoidable circumstances. The Academy Education Welfare Officer may need to seek an early meeting with parents of pupils who persistently fail to arrive on time without valid reason whilst keeping the Principal informed. If the parents do not have any valid reason for the child's persistent lateness the Academy Education Welfare Officer will consult with the SEWO.

6. Attendance monitoring

The attendance officer monitors pupil absence on a weekly basis, as does the Care Team.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2). Parents are expected to call the school each day a child is ill unless agreed otherwise. E.g. long term illness.

If a pupil's absence goes beyond three days we will contact the parents to discuss the reasons for this.

If after contacting parents a pupil's absence continue to rise, we will consider involving an education welfare officer.

The persistence absence threshold is 10%. This means that if a pupils overall attendance is equal to or less than 90%, then the pupil will be classed as a persistent absentee.

Absence at this level is doing considerable damage to any child's educational prospects and we need parents'/carers' fullest support and co-operation to tackle this. Any child whose attendance has reached the PA threshold or is at risk of moving towards that threshold is given priority for intervention. Intervention will be via:

- An action plan to improve attendance will be created which may involve an attendance panel meeting and referrals to other agencies alongside meetings between relevant Academy staff and parents/carers.
- Where parents/carers fail to co-operate with support and strategies provided by the Academy, further advice may be sought which could lead to legal sanctions being imposed.

Persistent Absence data is communicated to the relevant Local Authority via the School Census on a termly and annual basis.

Staff work in partnership with the local Police, PCSO's and services to support pupils and their families who have become persistent absentees.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published

alongside the national statistics. We compare our attendance data to the national average and share this with the Academy Improvement Committees.

The academy collects and stores its attendance data on a school management system – SIMS. The data is used for internal purposes such as tracking the attendance of individual pupils; or to identify whether or not there are particular groups of children whose absences may be a cause for concern, and monitor and evaluate those children identified as being in need of intervention and support. Attendance data will be shared with the local authority if parents are to be issued with a penalty notice; or the child is classed as 'Looked After' (LAC) by the Local Authority.
