

The Head Teacher's Fortnightly Newsletter Monday 25th April 2021

Dear Parents / Carers,

It's great to have everyone back in school! All the classes are working extremely hard on their new enquiry question topics and you should have received your child's team newsletter to find out more about what they are learning. These can always be found on our website in 'news' also.

We are continuing to support all children doing any 'catch-up' that is necessary and doing our very best to ensure that your child continues to make good progress in all areas of their learning and development. Your child's class teacher knows the children in their class well and knows how to achieve this over the next term. We will reassure your child and encourage them to help themselves by engaging well in their learning both at home and school. We hope that you will continue to support us with this. Our 'Catch-up' funding is being used to provide small group interventions during the school day as well as after school. Please support us and your child by taking advantage of any additional support offered. If you would like any advice on how to support at home, please speak to your child's class teacher.

This term we will be holding parent consultation time. We will keep you notified of when these will take place shortly.

Best Wishes
Mrs D Linacre

Please make sure your child comes to school on time!

We're extremely proud to let you know that we've been awarded the 'Early Years Quality Mark' again following reassessment this year. This award celebrates the exceptional hard work that goes into ensuring our early years provision is the best it can be for our children.

A HUGE Thank You to our children & families that have been supporting the tidy up of our community!

THANK YOU for your feedback on our **Communication** with you. The feedback and response can be found on our website in 'news'.

As the Covid restrictions are slowly relaxed, we are going to begin to bring back our after school clubs. These will still have to remain in 'bubbles' and will only be able to run if we have enough interest. Look out for further club letters.

Next Academic Year (2021 – 22) Dates can be found on the academy's website and APP.

Staff and governors are committed to the safeguarding and wellbeing of all the children in their care.
