

Key Stage 1 Homework Project Activities

Use the web to research a weird and wonderful minibeast. Find out about the Borneo walking stick, the longest insect in the world, and the Goliath beetle. Make a poster to display amazing facts that you can show your friends at school.

Go on a minibeast safari with your family. Investigate your garden, local park or woodland to search for wriggly and crawly creatures! Take photos or draw any minibeasts you find, then use your knowledge to identify them.

Create a graph to show how many of each minibeast you find and identify the most popular habitats.

Mini beasts, friends or foes?

Watch 'Antz', 'A Bug's Life' or 'Epic' with your family. Make a comic strip that shows part of the film or write a review and include a star rating.

Write a list of adjectives to describe what spiders look like and a list of verbs to describe what spiders do. Use the lists to write six facts about spiders and make up a story about a spidery adventure.

Read 'James and The Giant Peach' by Roald Dahl, then write a description of the main characters.

Write a letter to Miss Muffet and explain why she shouldn't be scared of spiders.

Information for children and parents

Well done on starting your homework project! Over the next four weeks you have been tasked with completing as many of these mini beast inspired homework activities as you would like.
