READING

We are continuing to encourage reading and reading for pleasure and are wanting to celebrate children's achievements of this at home, so we would like to remind parents of the importance of reading with your child **at least three times** a week and doing their homework **weekly**. We will be monitoring this closely and keeping a record, to ensure that children are completing this. Children who complete their homework and reading on a regular basis will be rewarded at school.

Please see a member of staff if you require a new homework book or reading diary.
