## The Newsletter For Easterside Nursery, Class 10, 11 & 12

### The Early Years Team says:

Happy New Year! We hope you all had a lovely Christmas and enjoyed spending time with your family and friends.

Looking back at last term, we have so much to celebrate! A particular highlight was the Early Years Christmas Performance and Class 10's Christmas event. The children did extremely well and confidently joined in and learnt lots of songs!! It was also lovely to see so many parents/carers come to watch. We would like to take this opportunity to thank you for your ongoing support this year.

We have loved having daily opportunities and activities in the outdoor areas within school. As it can start to get quite cold at this time of year we would like to remind parents & carers to bring their child to school with a warm coat, hat and gloves. We encourage children to explore and develop their independence, problem solving and resilience through exciting and creative activities outdoors, so it is important that children are wrapped up warm for this.

This Spring term we will continue to build on opportunities with our children, including more exciting outdoor learning activities!

Our focus this term is also on attendance- we are currently monitoring this and encouraging children to come to school daily, so that they do not miss important teaching and learning opportunities.

Wishing you all the best for 2022!  
Kind regards

## Early Years Topic

Through our topic 'Once Upon a Time' we will be learning about lots of different things:

- We will be sharing a range of traditional tales and other stories.
- We will be having opportunities to share our favourite stories.
- We will be going on story hunts and walks in our outdoor environment.
- We will be retelling stories in the correct sequence and changing them.
- We will be involved in a range of role play activities
- We will be getting creative and using our imaginations!

# WINTER

REMEMBER YOUR  
HAT SCARF GLOVES

WARM COAT

Thank you
