

Year 3/4 Project Homework

History! Can you find out about the first people to live in North America, Native American Tribes?

How you present your information is entirely up to you! The more creative and imaginative the better.

Read non-fiction books/use the internet to find out about the American flag and its meaning. Has it always been 'The Stars & Stripes'?

Using your local library or internet, compare the City of Middlesbrough with New York City or the capital of England (London) with the capital of America (Washington D.C.).

Brain Science!

<https://www.youtube.com/watch?v=c9HK59FaoMI>

Learn all about how your brain works!

Can you recreate any famous American landmarks? The Grand Canyon; The Empire State Building; The Statue of Liberty; Mount Rushmore; Golden Gate Bridge; 'Hollywood' sign for example.

Create a travel brochure about an American State. What is the weather like?

Information for children and parents

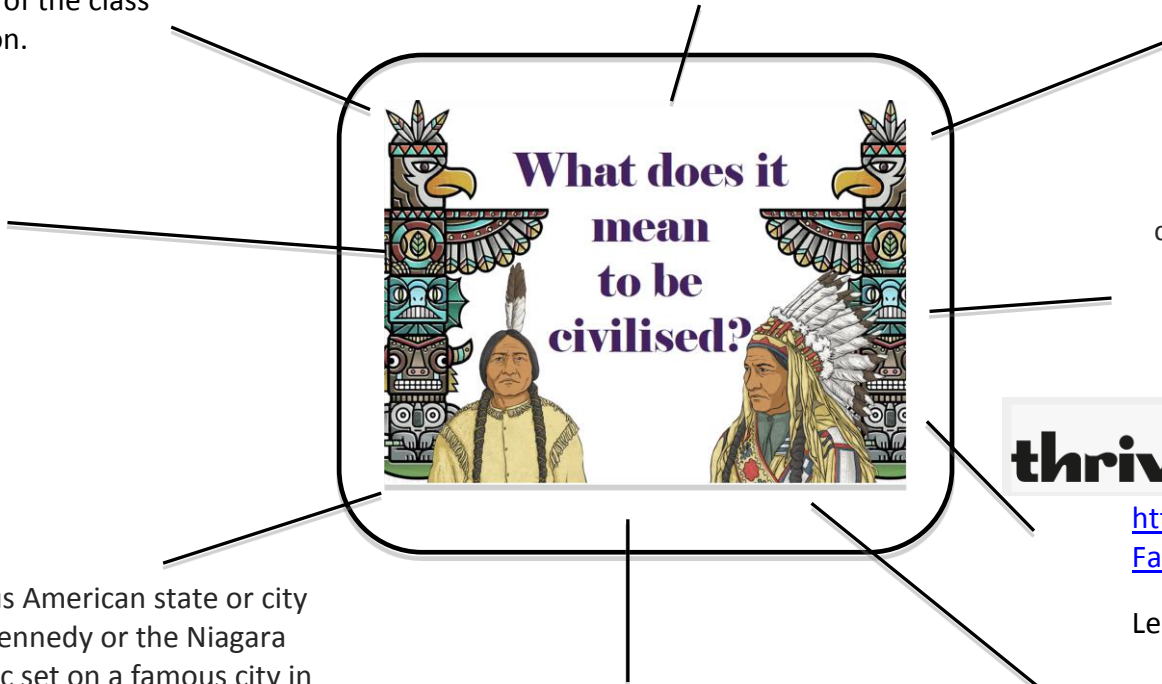

Well done on starting your homework!

Over the next half term your task is to complete as many of these 'USA' inspired homework activities as possible. Once you have completed a homework activity, please bring it into school to share with your classmates and teacher. Remember your homework needs to be of a high quality (there were some fantastic examples again last term). Thank you and good luck!

Create a poem, rap or song about Justin Bieber, Taylor Swift or another famous American inhabitant. Be prepared to share your work with the rest of the class and justify for opinion.

Use a range of materials from home to create your own interpretation of 'The Stars & Stripes'. Collage; paint; print; pencil; felt-tips for example.

Write a short story using a famous American state or city as your setting. Perhaps Cape Kennedy or the Niagara Falls? Alternatively, create a comic set on a famous city in the USA. Try and include some famous landmarks.

Knowledge drop!

Make a poster, which shows your learning from different topics from throughout the year. Include lots of facts and information! It could be about chocolate, potions, Stone Age, Mountains or Ancient Greece!
